The Bible and Tomorrow's Headlines Miguel J. Gonzalez ThD, 2021-05-26 Global events over the last few decades have generated a great deal of interest in Bible prophecy News headlines about Middle East conflicts weapons of mass destruction natural disasters terrorism pandemics and the very real and ever present threat of another world war just to mention a few have many rethinking or perhaps thinking for the first time what it is that the Bible has to say about the end times If you are interested in the future and are trying to make sense of everything going on around you this book will help you understand how today's news headlines fit into what the Bible has to say about the end times It will bring clarity to often

misunderstood issues surrounding the second coming of Jesus Christ and help you navigate the exciting and challenging days to come The Bible and Tomorrow s Headlines will provide you with a step by step study of what man can expect It will help you understand The importance of studying Bible prophecy How to interpret Bible prophecy Israel s role in world history The reasons for the Middle East crisis The signs of the times The future of the United States of America Key figures and events in the Tribulation The reasons for the Middle East crisis The Millennium kingdom CRISIS OF FAITH Edward D.

Andrews,2015-11-15 Inside of some Christians unbeknownst to their family friends or congregation they are screaming I doubt I doubt I have very grave doubts OURS is an age of doubt Skepticism has become fashionable We are urged to question everything especially the existence of God and the truthfulness of his Word the Bible A half brother of Jesus warned us against doubting the one who doubts is like a wave of the sea that is driven and tossed by the wind Jam 1 6 When insidious doubts begin to creep into the mind and the heart it is only a matter of time before a CRISIS OF FAITH gives way spiritual shipwreck Since we have been warned that some will fall away from the faith we should be ready to save some even ourselves In CRISIS OF FAITH Edward D Andrews guides us in one can be restored to the faith through an accurate knowledge that gives the facts on which to rebuild one s faith Confidence can be restored in this world beset by doubts We can help ourselves or others once again to make the Word of God their own CRISIS IN FAITH assures us that the Bible truly is from God Those who have doubts need to have their questions answered and this book will fill the need for honest hearted persons who sincerely want to know Fallenness, Sustainment, and Judgment Albert R. Portillo,2025-01-21 This book seeks to establish a basis for coherency in Qohelet s theological appeal by analyzing a thematic trajectory underpinned by the rhetoric of Qohelet s emphasis on vanity joy and judgment These emphases follow what have been labeled projectile themes which aim at particular points of Qohelet s message carrying the audience through Qohelet s flow of thought These thoughts are deeply correlated and best recognized as the substance forming Qohelet s framework from which Qohelet s teaching flows In other words Qohelet s thoughts revealed by his thematic emphases and endpoint function as an evangelistic appeal to a theological worldview whereby the minds and hearts of his audience are directed to a present and future reality in the fear God concept This present and future reality follows the premise that humanity enters a fallen world God sustains humanity amid the fallenness and God preserves the lives of those who fear him on the day of judgment What is ultimately discovered is that coherence in the course followed by the projectile themes of fallenness sustainment and judgment forms a framework guiding a trajectory in Qohelet aiming at an appeal to righteous living and eschatological hope Kingdom of Forgiveness Dr. Terrance Garrett,2023-02-21 Kingdom of Forgiveness gives the reader practical biblical knowledge of God s pattern for total reconciliation in the community of faith This book will help one understand the need to let go of past offenses and release the hurt that accompanies unforgiveness The goal of the book is to communicate steps that will assist in living a life of total forgiveness 2 **THE CHRISTIAN APOLOGIST** Edward D. The Imago Dei John T. Swann, 2017-07-07 The creation of humankind in the Image of God is perhaps the most foundational tenet of theological anthropology yet it is rarely understood in the fullness of what it represents Too often focus is placed on the divine image as a condition A study of the Scriptures suggests that it is better understood not as a condition but rather as a commission of humanity to a role specifically a priestly role This book delves into the recognition that the Image of God is nothing less than a divine commission over all of humanity to serve as priests within the temple of creation It examines not only the creation of humankind as a priesthood in the opening chapters of Genesis but also the echoes of this anthropological interpretation throughout the Scriptures and the resulting ramifications for future biblical and theological studies
