**Visions of Amen** Stephen Schloesser, 2014-07-10 French composer Olivier Messiaen 1908 1992 is probably best known for his Quartet for the End of Time premiered in a German prisoner of war camp in 1941 However Messiaen was a remarkably complex intelligent person with a sometimes tragic domestic life who composed a wide range of music This book explores the enormous web of influences in the early part of Messiaen's long life The first section of the book provides an intellectual biography of Messiaen's early life in order to make his difficult music more accessible to the general listener The second section offers an analysis of and thematic commentaries on Messiaen's pivotal work for two pianos Visions of Amen composed in 1943 Schloesser's analysis includes timing indications corresponding to a downloadable performance of the work by accomplished pianists Stéphane Lemelin and Hyesook Kim
