**Theology as the Science of God** Ximian Xu, 2022-06-13 The revival of Calvinism in the nineteenth century Netherlands entailed the neo Calvinist movement With Abraham Kuyper Herman Bavinck became a brand name of neo Calvinism Nonetheless not until the first decade of the twenty first century was scholarly interest in Bavinck s work increasing The conventional two Bavincks model used to read his work for much of the twentieth century argues that some contradictory and irreconcilable themes do exist in Bavinck s system which makes Bavinck a self contradictory thinker This dualistic reading characterised most of Bavinck scholars in the second half of the twentieth century Since James Eglinton s new

reading of Bavinck's organic motif the conventional model became untenable and scholars are seeking for a reunited Herman Bavinck. Bavinck as a holistic theologian has become the industry standard of Bavinck studies. Ximian Xu aims on the one hand to maintain one Bavinck on the other hand and more importantly to fill in a notable gap in Bavinck scholarship that is no single work hitherto has focused on Bavinck's idea of theology as the *wetenschap* science of God. This study demonstrates that the idea of scientific *wetenschappelijke* theology furnishes the meta-paradigm and cardinal model that incorporates the fundamental characteristics and themes of Bavinck's dogmatic system. Moreover, it argues that Bavinck's scientific theology makes an attempt to engage with the other sciences. Given this Bavinck's scientific theology is relevant today. That is Bavinck's theological insights can be deployed to advance theology's engagement with the other sciences in contemporary secular universities.

Kingdom Theology Jonathan Pattiasina & Ps. Marlina P. Tangkesalu, Dr. Heintje B. Kobstan, 2021-03-29. Pemahaman tentang Kerajaan Allah harus menjadi hal penting dalam kehidupan setiap orang percaya. Mengapa penting? Sebab Allah kita adalah Allah yang memerintah. Bahkan sebelum dunia dijadikan pemerintahan Allah telah dimulai di surga. Kerajaan Allah bermula pada diri Allah. Jadi awal dari segala sesuatu adalah Allah sendiri. Buku ini hadir untuk memberikan pemahaman tentang Kerajaan Allah dari perspektif Pentakosta Karismatik. Buku ini tidak ditujukan untuk mendebat pandangan-pandangan yang sudah ada tentang Kerajaan Allah tetapi untuk melengkapinya. Mungkin ada kutipan-kutipan dari pandangan yang sudah ada tetapi mungkin ada juga hal-hal yang baru. Dalam ranah teologis pun terdapat kesinambungan yang jelas tentang keberadaan Kerajaan Allah di bumi ini meskipun terdapat perbedaan dalam cara menafsir. Jadi hal ini bukan untuk diperdebatkan mana yang benar atau mana yang salah melainkan bagaimana agar umat Tuhan memahami bahwa Kerajaan Allah dimanifestasikan di dunia ini secara nyata. Selamat memahami, memaknai, dan menghidupi kebenaran tentang Kerajaan Allah.

Theandric and Triune Ty Kieser, 2024-01-25. Describing Jesus as an agent of divine actions or as one who possesses human agency is commonplace in christological discussions. Yet these discussions often wade in a shallow understanding of the terms' meanings and the theological implications of such claims. For example, while many theologians who are committed to the definition of Chalcedon consider Jesus one agent, we might ask if this implies that the triune God comprises three agents. Or if Christ possesses singular agency, how are his divinity and humanity operative in his actions? In response, this work draws from the theology of John Owen and advancements in philosophy of action in order to offer an account of divine and human agency in christological action from within the Reformed tradition. It provides clarity to the christological and trinitarian uses of the language of agent agency in Christ and attends to the theological esp. trinitarian entailments therein. While at first glance there may appear to be internal inconsistencies with accounts that subscribe to classical trinitarianism and Reformed Christological agency, this

book argues that Owen helps us recover an understanding of christological agency that is internally coherent and theologically prudent As such the Reformed tradition can articulate Christological agency in a way that is coherent with the testimony of Scripture the ecumenical councils and classical trinitarianism while contributing to contemporary theological discussions The case not only provides terminological clarity and theological coherence but also inclines Christians to appreciate the trinitarian love of God in Christ s action and the human sympathy of Christ for his people

Authentic Liturgical Renewal in Contemporary Perspective Uwe Michael Lang, 2017-07-27 The ongoing debates on the present state and the future of the Roman Catholic worship are not confined to specialists but are clearly of interest to a wider public as the responses to the Sacra Liturgia UK conference held in London in July 2016 have shown This volume contains the proceedings of the conference and raises the question of how to bring to fruition the insights and instructions of the Second Vatican Council and its key document on the liturgy Sacrosanctum Concilium in the life of the Church today The initial contribution from Robert Cardinal Sarah Prefect of the Congregation for Divine Worship and the

Sacraments calls for a fuller implementation of Sacrosanctum Concilium Following on from this other leading figures and liturgical scholars such as Joris Geldhof David Fagerberg and Alcuin Reid examine Catholic worship from a variety of perspectives including historical pastoral social cultural and artistic themes Taken together these chapters present another crucial step along the route of authentic liturgical renewal in the contemporary world *Trinitarian Doxology* Kevin J. Navarro,2023-01-26 Liturgical theology tends towards the anthropocentric focussing primarily on the behaviour of the worshippers The theology of Thomas F and James B Torrance however provides an alternative approach a Trinitarian and Christocentric study of liturgy which decentralises the worshippers position in liturgy and focusses instead on Christ the One who is worshipped In *Trinitarian Doxology* Kevin J Navarro examines the Torrances theology explicating and illuminating their work whilst simultaneously providing critical analysis which provides a lens for deeper understanding **Union with Christ and the Life of Faith (Soteriology and Doxology)** Fred Sanders,2025-08-19 In this volume a top scholar in the world of evangelical theology addresses the key soteriological theme of union with Christ The book provides substantive engagement with the doctrine of participatory union including sections on the creeds Scripture the history of the doctrine constructive dogmatics and Christian praxis Its biblical point of access is Paul s theology of life in Christ understood as an invitation to a theological reading of the four gospels Special attention is given to the trinitarian structure of union with Christ This book shows students how to integrate theology into the life of faith and demonstrates how the practices of Christian worship influence theological thinking A devotional interlude directing readers to a classic hymn poem or liturgy follows each chapter The Soteriology and Doxology series consists of introductory textbooks that cover key topics in soteriology providing substantive treatments of doctrine while pointing to the setting of theology in doxology Series editors are Kent Eilers and Kyle C Strobel
