How To Market To Women Understanding And Reaching Todays Most Powerful Consumer Group:

Women's Studies Linda Krikos, Cindy Ingold, 2004-08-30 This truly monumental work maps the literature of women's studies covering thousands of titles and Web sites in 19 subject areas published between 1985 and 1999. Intended as a reference and collection development tool, this bibliography provides a guide for women's studies information for each title along with a detailed, often evaluative review. The annotations summarize each work's content, its importance or contribution to women's studies, and its relationship to other titles on the subject. Core titles and titles that are out of print are noted, and reviews indicate which titles are appropriate as texts or supplemental texts. This definitive guide to the literature of women's studies is a must purchase for academic libraries that support women's studies programs, and it is a useful addition to any academic or public library that endeavors to represent the field. A team of subject specialists has taken on the immense task of documenting publications in the area of women's studies in the last decades of the 20th century. The result is this truly monumental work which maps the field covering thousands of titles and Web sites in 19 subject areas published between 1985 and 1999. Intended as a reference and collection development tool, this bibliography provides a guide for women's studies information for each title along with a detailed, often evaluative review. The annotations summarize each work's content, its importance or contribution to women's studies, and its relationship to other titles on the subject. Most reviews cite and describe similar and contrasting titles, substantially extending the coverage. Core titles and titles that are out of print are noted, and reviews indicate which titles are appropriate as texts or supplemental texts. Taking up where the previous volume by Loeb, Searing, and Stineman left off, this is the definitive guide to the literature of women's studies. It is a must purchase for academic libraries that support women's studies programs, and a welcome addition to any academic or public library that endeavors to represent the field.

How to Market to Women Carol Nelson, 1994 This text aims to help marketers in identifying and targeting female audiences, understanding and using shopping patterns, selecting media to effectively reach women, and using humour when marketing to women. Case studies are used, as well as statistics, check lists, and sample advertisements.

Women's Market Handbook Carol Nelson, 1994 This handbook aims to provide concrete advice on how to communicate with and market to women. Advice is given on the following matters: identifying and targeting female audiences, understanding buying patterns, selecting appropriate media, using humour in marketing, and establishing a personal relationship with women customers. The author uses real examples and her own experience both as a female customer and in her professional roles in advertising and direct marketing to reveal what sells to women and what doesn't. This guide is aimed at professionals, students, academics, and researchers in marketing, advertising, business, and management on how to and how not to sell to women.

Managing Today's News Media Samir Husni, Debora Halpern Wenger, Hank Price, 2015-07-29 The business of journalism is in the midst of massive change. Managing Today's News Media Audience First offers practical solutions on how to cope with and adapt to the evolving media landscape. News media experts Samir Husni, Debora Halpern Wenger and Hank Price introduce a forward-looking framework for understanding why change is occurring and what it means to the business of journalism. Central to this new paradigm is a focus on the audience. The authors introduce The 4Cs Strategy to describe how customers control choice and change are all part of a strategy for successful media organizations. Real-world case studies, important theoretical grounding and a focus on understanding rather than resisting the customer's desire for choice and control make this an unbeatable resource for students and managers alike who want to succeed in this changed media business landscape.
