African Banjo Echoes In Appalachia Cecelia Conway,2024-07-31 Throughout the Upland South the banjo has become an emblem of white mountain folk who are generally credited with creating the short thumb string banjo developing its downstroking playing styles and repertory and spreading its influence to the national consciousness In this groundbreaking study however Cecelia Conway demonstrates that these European Americans borrowed the banjo from African Americans and adapted it to their own musical culture Like many aspects of the African American tradition the influence of black banjo music has been largely unrecorded and nearly forgotten until now Drawing in part on interviews with elderly African American banjo players from the Piedmont among the last American representatives of an African banjo playing tradition that spans several centuries Conway reaches beyond the written records to reveal the similarity of pre blues black banjo lyric patterns improvisational playing styles and the accompanying singing and dance movements to traditional West African music performances The author then shows how Africans had by the mid eighteenth century transformed the lyrical music of the gourd banjo as they dealt with the experience of slavery in America By the mid nineteenth century white southern musicians were learning the banjo playing styles of their African American mentors and had soon created or popularized a five string wooden rim banjo Some of these white banjo players remained in the mountain hollows but others dispersed banjo music to distant musicians and the American public through popular minstrel shows By the turn of the century traditional black and white musicians still shared banjo playing and Conway shows that this exchange gave rise to a distinct and complex new genre the banjo song Soon however black banjo players put down their banjos set their songs with increasingly assertive commentary to the guitar and

left the banjo and its story to white musicians But the banjo still echoed at the crossroads between the West African griots the traveling country guitar bluesmen the banjo players of the old time southern string bands and eventually the bluegrass bands *Earl Scruggs and the 5-String Banjo* Earl Scruggs,2005-08-01 Banjo The best selling banjo method in the world Earl Scruggs s legendary method has helped thousands of banjo players get their start The Revised and Enhanced Edition features more songs updated lessons and many other improvements It includes everything you need to know to start playing banjo including a history of the 5 string banjo getting acquainted with the banjo Scruggs tuners how to read music chords how to read tablature right hand rolls and left hand techniques banjo tunings exercises in picking over 40 songs how to build a banjo autobiographical notes and much more Includes audio of Earl Scruggs playing and explaining over 60 examples

Banjo Roots and Branches Robert B Winans,2018-08-15 The story of the banjo s journey from Africa to the western hemisphere blends music history and a union of cultures In *Banjo Roots and Branches* Robert B Winans presents cutting edge scholarship that covers the instrument s West African origins and its adaptations and circulation in the Caribbean and United States The contributors provide detailed ethnographic and technical research on gourd lutes and ekonting in Africa and the banza in Haiti while also investigating tuning practices and regional playing styles Other essays place the instrument within the context of slavery tell the stories of black banjoists and shed light on the banjo s introduction into the African and Anglo American folk milieus Wide ranging and illustrated with twenty color images *Banjo Roots and Branches* offers a wealth of new information to scholars of African American and folk musics as well as the worldwide community of banjo aficionados Contributors Greg C Adams Nick Bamber Jim Dalton George R Gibson Chuck Levy Shlomo Pestcoe Pete Ross Tony Thomas Saskia Willaert and Robert B Winans

Pretty Good for a Girl Murphy Hicks Henry,2013-05-01 The first book devoted entirely to women in bluegrass *Pretty Good for a Girl* documents the lives of more than seventy women whose vibrant contributions to the development of bluegrass have been for the most part overlooked Accessibly written and organized by decade the book begins with Sally Ann Forrester who played accordion and sang with Bill Monroe s Blue Grass Boys from 1943 to 1946 and continues into the present with artists such as Alison Krauss Rhonda Vincent and the Dixie Chicks Drawing from extensive interviews well known banjoist Murphy Hicks Henry gives voice to women performers and innovators throughout bluegrass s history including such pioneers as Bessie Lee Mauldin Wilma Lee Cooper and Roni and Donna Stoneman family bands including the Lewises Whites and McLains and later pathbreaking performers such as the Buffalo Gals and other all girl bands Laurie Lewis Lynn Morris Missy Raines and many others
