**How to Prepare for the Coming Persecution** Larry Poland,1990-01      [A Guide to the Themes from Prepare](#) J. Paul Nyquist,2016-01-19 What will Christians need most in the days ahead The themes of Prepare like hostility persecution perseverance and hope remain timely to Christians everywhere as opposition to Christian values is steadily increasing This study ideal for groups or individuals will guide readers in applying Prepare s themes in today s troubling times Each chapter consists of two sections The Issues brief summaries of key ideas plus questions to help with further exploration Ponder and Discuss key book quotes worthy of further reflection and application Today s challenges present a great opportunity to honor Christ as we declare the good news of salvation and demonstrate His compassion to those who oppose us A Guide to the Themes of Prepare will help you live faithfully bear witness and embrace hope even as the world becomes an increasingly difficult place to live      **Preparation for the Coming of the Lord** Lance Lambert,2018-12-05 Preparation is something we should not take lightly but with great seriousness We do not know when our Lord Jesus will return but we are told of the signs of His second coming We pray Lord Jesus come quickly but in that prayer we know that we must be ready be prepared for His return As we see the end approaching when our Lord and Saviour will return and establish His kingdom on this earth we must be prepared We must be ready and watching for Him May the Lord use the practical help presented in these messages to prepare His people      *The Coming Persecution* Larry W. Poland,1990      *The Kingdom of God Has No Borders* Melani McAlister,2018-07-02 Award of Merit 2019 Christianity Today Book Awards History Biography More than forty years ago conservative Christianity emerged as a major force in American political life Since then the movement has been analyzed and over analyzed declared triumphant and more than once given up for dead But because outside observers have maintained a near relentless focus on domestic politics the most transformative development over the last several decades the explosive growth of Christianity in the global south has gone unrecognized by the wider public even as it has transformed evangelical life both in the US and abroad *The Kingdom of God Has No Borders* offers a daring new perspective on conservative Christianity by shifting the lens to focus on the world outside US borders Melani McAlister offers a sweeping narrative of the last fifty years of evangelical history weaving a fascinating tale that upends much of what we know or think we know about American evangelicals She takes us to the Congo in the 1960s where Christians were enmeshed in a complicated interplay of missionary zeal Cold War politics racial hierarchy and anti colonial struggle She shows us how evangelical efforts to convert non Christians have placed them in direct conflict with Islam at flash points across the globe And she examines how Christian leaders have fought to stem the tide of HIV AIDS in Africa while at the same time supporting harsh repression of LGBTQ communities Through these and other stories McAlister focuses on the many ways in which looking at evangelicals abroad complicates conventional ideas about evangelicalism We can t truly understand how conservative Christians see themselves and their place in the world unless we look beyond our shores      **Training Guide**

Clary Brown,2006      **Kidnapped by a Cult** Shen Xiaoming,Eugene Bach,2017-03-07 I would not encourage anyone to seek persecution but as Christians we should never deny ourselves the privilege of traveling on the path of suffering It is a difficult path but a glorious one Pastor Shen Xiaoming Shen Xiaoming is the pastor of millions Founder of one of the largest underground churches in China he is no stranger to persecution from China's historically hostile government Time and again Pastor Shen has experienced deprivation disease and imprisonment for the sake of the incredible spread of the gospel in rural central China But April 16 2002 brought the persecution to a new level Pastor Shen was kidnapped by the murderous Eastern Lightning cult after being lured into a supposed Bible conference This dangerous cult believes that Christ returned in the form of a female Chinese leader and they use force torture and indoctrination to gain followers Yet again Pastor Shen had to take a stand against evil Here is his story      **I Am** Don Randolph,2006-06      **Twilight's Last Gleaming** Dr. Robert Jeffress,2012-01-01 Never in recent history have Christians been more discouraged and fearful about our country's future

Economic chaos immorality terrorism and global turmoil have convinced many that we are living in the twilight days of America Dr Robert Jeffress agrees But it is not the end of the story he writes in *Twilight's Last Gleaming* Although we cannot prevent America's eventual demise we can delay it and make a difference for eternity at the same time For everyone who wonders what can be done right now within our culture our churches in the voting booth and our neighborhoods Jeffress answers with biblical insight and real world clarity showing Christians how to seize this unprecedented opportunity and point people to our only Hope God's Pathway to Eternal Prosperity Wendy Algernon Atherley, 2020-11-12 So you will leave no stone unturned in your quest to become rich and famous God has a plan for you that will give you hope and prosperity He owns everything and shares it with us based on our needs and our ability to manage it His blessings include wisdom talents wealth health and long life What is your investment strategy How are you going to manage the resources that God has entrusted to your stewardship Our treasures can be temporary or permanent We should invest in permanent treasures that bring us peace and eternal treasures in the mansions of heaven that Jesus is preparing for his obedient children Why not invest in this eternal inheritance God has permanent interest in our total wellbeing particularly the wellbeing of our souls He died on the cross to redeem us back to himself and save us from eternal damnation Jesus has returned to the glories of heaven and soon his children will join him All God asks is that we put value on our souls come to him by faith and find grace and mercy Our souls are worth everything that we own *Eschatology and Ecology* Paul Hang-Sik Cho, 2011-05-01 This book raises the question of why Korean people and Korean Protestant Christians in particular pay so little attention in theory or practice to ecological issues The author argues that there is an important connection or elective affinity between this lack of attention and the otherworldly eschatology that is so dominant within Korean Protestant Christianity Dispensational premillennialism originally imported by American missionaries resonated with traditional religious beliefs in Korea and soon came to dominate much of Korean Protestantism This book argues that this of all forms of millennialism is the most damaging to ecological concerns It also suggests how Korean churches may effectively respond to the ecological challenge **Are We Living in the Last Days?** Bryan Chapell, 2024-02-06 Will Jesus's return be preceded by a single world government Will every person have a government issued ID or mark Does Christ return once or twice Will believers go through a Great Tribulation Will there be a literal battle of Armageddon Does it even matter what we believe about future events Biblical prophecies about the end times have confused confounded and even divided God's people for centuries But the reason Scripture gives us hints about the future is to provide the encouragement we need to endure the present confident that God keeps his promises In this balanced look at four major views of the end times bestselling author Bryan Chapell explains the primary ways Christians have interpreted biblical prophecy about the last days not so that we might pick a hill to die on but so that we can cling to what unites us in Christ No matter what end times view we find most compelling in God's plans we can find strength for today and hope for tomorrow
