How To Speak The Word Of God With The Voice Of Jesus:

How to Speak the Word of God with the Voice of Jesus Leroy Thompson, 1998-02 When dealing with the enemy we must have a fresh Word from God for our particular situation as we break the cycle of powerless confession by putting faith filled words to work in our everyday lives In this best selling message by Dr Leroy Thompson shows us how to speak the Word with the same power and authority that Jesus spoke with and get the same results **Speaking With God's Voice** Louis A. Miraglia, 2016-12-17 The world today groans under the weight of many crushing problems but it s not intellectuals presidents or political parties who have the solutions The rescue agents are born again believers who fall under the great commission and that s you This command for you to go into the whole world is not given by One who would leave you an orphan God will equip you but you must do it His way Once you re a believer God appoints you to two roles immediately One as the receiver of God's word one as the deliverer of God's word Many faithful men and women have little problem understanding the first role They see themselves as student learners who must grow in God's word and get enlightenment by the Holy Spirit Many faithfully fulfill the biblical prerequisites of prayer and preparation and they become quite good at understanding the scriptures Over the years the Holy Spirit guides them into deeper and deeper insights into God's word It is as they move into the role of deliverer of God's word that they have problems Many people will shut them out the delivery has failed to adopt a biblically required role change To be effective in this new role God's messengers must Speak with God's Voice This means they must speak authoritatively and prophetically These biblical prerequisites have been very much misunderstood and abandoned leaving the message from God's word a mere man made endeavor God may bless this type of message but the only way to guarantee God's anointing is to deliver it His way with His voice This book explains in detail how these scriptural requirements are put into effect Remember The power of the Holy Spirit is available to ALL believers but it is not automatic A dear evangelical preacher of more than thirty years who pastors a church on the New York Pennsylvania border read this book and made the following comment I would highly recommend this book as required reading for every minister and ministerial student It is one of the most practical cries for and description of anointed preaching that I have read For too long the church has tried to dazzle people with new music new technologies and methods and missed the high calling of preaching the Word under the power of the Holy Spirit Thanks Louie for your inspiring words The Divine Voice Stephen H. Webb, 2012-01-20 Webb offers a carefully and creatively wrought phenomenology of sound showing its relation to the proclamation of God's Word His keen insights on the primordial nature of sound speech and hearing will force theologians to examine once again what it means to be a hearer of the Word Webb masterfully displays the intrinsic relationship between dynamic listening and speech how intent hearing and confident proclamation are intimately conjoined. He has the rare gift of combining acute theological insight with a mellifluous readable style The nature of God s own Word here becomes clearer vibrant and tensile life giving in tone and texture Whether examining Jesus as the voice of the Father the role of voice in

innertrinitarian relations or the relationship between voice and gender Webb offers the kind of thought provoking and highly creative reflections rarely found elsewhere He has a creative and incisive theological mind Thomas Guarino Seton Hall University Being appreciative of Webb's earlier work on hyperbolic language in theology and preaching I welcomed The Divine Voice How risky to toss a spoken word into a room of silent readers and expect it to be heard I was reprimanded instructed and moved by the sound of this book Were I still in the seminary classroom The Divine Voice would be required reading before one word was said about how to preach Fred B Craddock The Craddock Center The Divine Voice is a book of academic theology worthy of the Psalmist who sang Day after day the word goes forth night after night the story is told Soundless the speech voiceless the talk yet the story is echoed throughout the world Ps 19 2 3 Stephen Webb is an acoustemological theologian for whom speech can be prayerful as silence and silence as instructive as proclamation When the sounds heard by faith reach Webb's ever insightful and creative mind only synthesia could result and the result is a gift for us all Peter Ochs University of Virginia Hear God's Voice Derek Prince, 2020-12-15 Imagine a life in which you clearly hear God s voice and follow His will daily Do you long for God to speak to you bringing guidance strength and comfort Perhaps you have been praying for a word from God but the heavens seem silent Nothing is more important than knowing how to hear from God because our spiritual life depends on it Without it we can t know and obey His will for us and we may go down the wrong path or miss His plans for us The Bible teaches and guides us in essential matters but instruction for God s specific daily purposes for our lives comes from His Holy Spirit who lives within us Being able to hear from God is a growing deepening process that leads us into His perfect plans Through his extensive study of the Scriptures and personal life experiences internationally renowned Bible teacher Derek Prince explains the practical steps you can take to hear from God develop a close relationship with Him remove obstacles to recognizing His voice and understand the ways in which He communicates Hearing God enables us to follow Him more confidently love Him more deeply and serve Him more completely As you cultivate the practice of hearing God's voice you will receive the fresh daily bread that nourishes you spiritually and find divine direction and strength for your ongoing walk with Him This is the lifestyle you have been waiting for hearing God s voice and following Him each day each step of the way Man shall not live by bread alone but by every word that proceeds from the mouth of God Matthew 4 4 **Prayer and the Word of God** Cynthia Hyle Bezek, 2014-06-04 Hearing God's Voice Henry T. Blackaby, Richard Blackaby, 2002-09-15 Based on classic Experiencing God principles Hearing God s Voice is for those who are ready to listen Beloved author Henry Blackaby and his son Richard help those who are listening to discern the voice of God to identify ways He speaks and to respond to His revelations of His will God speaks to individuals in ways that are personal and unique to each person God will never say anything that contravenes what He has said in the Bible and usually He confirms what He has said After you learn to listen to God hearing from God will be as natural as communicating with a close friend You Can Hear God's Voice Kevin Zadai, 2020-08-18 God Wants to Talk to You Many people go

Ulmer, 2011-09-01 If you are doing all of the talking it is likely that you will not hear what others have to say let alone gain from their counsel insight and wisdom if this is true with humans isn t it even more so with God It is difficult sometimes in our era of financial collapse ongoing war and increasing alienation from each other to feel confident that the Almighty takes a personal interest in our lives Knowing God s Voice is the assurance so many people are waiting for God is interested He has a lot to say Readers will learn to discern God s voice from the background noise of internal anxiety and external circumstances and to trust His guidance and revelation even in trying times God is speaking to His people if only they will have ears to hear Hearing God's Voice for Healing Dr. Mark Virkler, Patti Virkler, 2025-03-04 Align with God's Voice Unleash Your Miracle Facing unanswered prayers for healing Sought miracles with no change in sight You re not alone in this journey of faith and healing Dr Mark Virkler a seasoned minister and bestselling author addresses these deep seated concerns with powerful insights and divine truths in his groundbreaking book Through his extensive ministry witnessing countless healings Dr Virkler confronts the common belief that healing follows a set formula instead guiding you to see it as a deep personal encounter with the Healer Himself In this transformative work Dr Virkler unveils the secret to recognizing and responding to the Holy Spirit's communication guiding you toward miraculous healing Healing is not just a possibility but a promise deeply rooted in the very nature and will of God With decades of experience guiding believers worldwide into the profound experience of hearing God's voice hell teach you how to Respond to God's voice and follow His lead to healing Differentiate the dynamics of instantaneous miracles versus progressive healing journeys Harness words of knowledge to bolster your faith Access God's dunamis power for healing and wholeness Apply the 28 Therapeutic Healing Protocols for healing breakthrough Embrace the Holy Spirit's promises and power for complete restoration Your path to healing is not a distant dream but a present reality Your healing breakthrough is already yours Align your heart with the Holy Spirit's voice and walk into the miraculous healing destined for you The Father'S Voice Thomas C. Stewart, 2016-11-23 Anyone watching can see in these latter days that our world is in turmoil People are restless uneasy and not sure about the future with the failure and unresolve of many of her leaders who are not able because of political pressure and lack of fortitude to stand and deliberate as their position of responsibility requires with our social unrest broken homes infidelity in relationships and disrespect among family community business and governmental relationships The devil himself is doubling his forces doing all he can to steal kill and destroy everything that resembles the right the righteous the honest and the prudent We can see his influence in the hatred and cruelty of terrorism and the inhumane treatment by certain sects or groups even religious ones upon thousands and even millions of innocent people who just want to live peaceably having their family members maimed tortured and even killed seemingly just for sport We see armies of religious

factions that are recruiting and growing enormously with the express goal to annihilate and eradicate anyone or group that doesnt agree with their particular worship or lifestyle Add this to the extreme climate changes tsunamis storms earthquakes global warming etc and we can see that our lives and our future are more than uncertain The Bible asks the guestion in James 4.1 Where do wars and fights come from among you Do they not come from your desires for pleasure that war in your members The answer to this dilemma lies within the truth of God Jesus stated in John 8 32 You shall know the truth and the truth shall make you free Herein is the reason for this book Wherever you find yourself in these last days please know it is virtually impossible to know the truth and not be free God's Word Made Plain Pastor Jim, 2010-10 James Kirkland a retired pastor lives with his wife Lyn in Lancaster Pennsylvania where they minister together through Starfish Ministries a work they founded in 2002 One outreach of that ministry is two radio shows which have aired weekly for 28 years and on which the host has become known as Pastor Jim The couple also ministers to victims of relationship betrayal through seminars and their first book Healing For the Broken Hearted This book is written to provide God's children with an understandable practical guide to Scripture which is designed for daily use Each day's devotional is presented in a simple one page format but is packed with useful and sound Bible truth Expect a blessing as you read each day's entry it certainly has been a blessing for me to be able to provide this resource to you The British Flag & Christian Sentinel ,1879 The Race Set Before Us Thomas R. Schreiner, Ardel B. Caneday, 2001-04-11 In this exploration of the biblical theology of perseverance and assurance Thomas R Schreiner and Ardel B Caneday weigh all of the relevant New Testament texts and provide a foundational study that offers a clear Reformed perspective on salvation Holy Walks Stephen C. Simon, 2019-07-02 Prayers that lead to a growing intimacy with God Heart learning not just more head knowledge Walking conversations with God These are a few of the fruits produced by a spiritual practice called holy walks Rooted in the ancient art of praying the Psalms holy walks enrich our understanding and practice of prayer by integrating prayer walking and learning the Psalms by heart In a practical deeply personal and at times humorous manner Steve Simon shares how holy walks have transformed his own prayer life and revitalized his walk with God and how they can do the same for the reader In addition to explaining the spiritual practice of holy walks Holy Walks also provides an introduction to the book of Psalms which will be especially valuable for those with limited knowledge of the Bible Exploring five types of psalms Holy Walks describes how God uses them to shape our heart in life giving ways no matter what peaks we re climbing or valleys we re traversing The book concludes with a discussion on what the Psalms teach about God's relationship with us as our creator leader and rescuer And Lead Us Not Into Temptation Denise Curtis, 2013-12 And Lead Us Not into Temptation is a book of truth designed to lead and guide our souls in the balance of right as it inspires a sense of sight fashioned to impress upon us to live as souls in the flesh And as we walk through we will hear the sounds of the stoned scales drop off of our eyes and reveal our soul's sight while seeing Jehovah through Jesus in the truest light God's Voice Riaan Engelbrecht, 2023-10-12

There is this strange notion these days that God no longer speaks to His people It is said that God spoke in the Old Testament and that God today only speaks these days through His Word Yes it is true that God does speak through His Word but the wonderful and glorious news is that God does speak to His children He has a voice we have ears and there is definite communication Some even say that one is crazy to think one hears from God voices in the head apparently speak of a deep seated disorder Others claim it is purely your imagination This is sad because God is an incredibly personal God who wants to communicate with His children He wants to talk to us and He wants us to talk to Him Just because someone has not heard from God does not mean He doesn t speak Think about it The Creator of all actually speaks to us He does not just speak to the apostles or the prophets but to each and every believer This is the God whom we serve An awesome God who is not distant but a God who wants a personal relationship with us Yes we can hear from God as His children There is no simple formula but it boils down to relationship fellowship intimacy and willing to follow and listen The Voice Bible Ecclesia Bible Society, 2012-04-09 The Voice is a faithful dynamic equivalent translation that reads like a story with all the truth and wisdom of God's Word Through compelling narratives poetry and teaching The Voice invites readers to enter into the whole story of God enabling them to hear God speaking and to experience His presence in their lives Through a collaboration of nearly 120 biblical scholars pastors writers musicians poets and artists The Voice recaptures the passion grit humor and beauty that is often lost in the translation process The result is a retelling of the story of the Bible in a form as fluid as modern literary works yet painstakingly true to the original manuscripts Features include Two color text Italicized information added to help contemporary readers understand what original readers would have known intuitively In text commentary notes that include cultural historical theological or devotional thoughts Screenplay format ideal for public readings and group studies Book introductions Presentation page for personalization Reading plans for Lent Easter Advent and more Topical Guide to the Notes Topical Guide to the Scripture Part of the Signature Series line of Thomas Nelson Bibles The Voice Bibles sold to date More than 308 000 The Fight for Sola Scriptura Matthew Cserhati, 2025-01-17 Today the exclusive authority of the Bible is under heavy attack This principle is known as sola scriptura The charismatic movement pays lip service to it it is ignored by liberalism and it is attacked by the Roman Catholic church But even the evangelical world cannot adequately defend the biblical teaching of sola scriptura since even the church has been compromised with competing authorities In this book the reader will understand what sola scriptura is and what it is not and how to articulate it defend it based on the Bible and apply it to his life An overview of the historical development of scriptural authority is provided Several different philosophies will be examined in this book and will be compared with one another on how they relate to Scripture These include the charismatic movement liberal theology Roman Catholicism Eastern Orthodoxy dispensationalism Open Theism theistic evolution and certain strains of evangelicalism We shall see that the reason extra biblical authorities are given currency is because the authority of the Scriptures themselves are cast into doubt Born to

Prophesy Hakeem Collins, 2013-11-08 Often Christians have trouble hearing the voice of God and question whether prophecy is still a valid gift in today s world As a result they are likely to experience discouragement fear doubt and frustration Born to Prophesy gives you a clear understanding of the role function and purpose of modern day prophets prophecy and prophetic ministry that is so desperately needed In addition it offers practical teaching to those who are called to speak as God s ambassadorial voice with authority love and confidence in Christ Combining foundational biblical truth with examples from the Old and New Testaments Hakeem Collins helps you Understand the biblical importance of the role and function of modern day prophets prophetic ministry and the supernatural gift of prophecy Discover your own prophetic voice gifts calling identity and potential so you can operate in the incredible power of the Holy Spirit that God has available for you Understand the responsibilities of the modern day prophet as well as the danger zones of false prophets and prophecy God still speaks today as He does in every generation and He wants to use your unique personality and voice to empower comfort edify encourage and bless your friends family church and the world
