Men of Value Conrad Riker, *Had Enough* Feel replaced. Disrespected. Trapped in a system rigged against your biology. You're not broken; the culture is. What if everything you've been told about masculinity is a lie? Why is toxic masculinity a feminist trap designed to shame you into submission? How does Cultural Marxism weaponize psychology to turn women against natural male authority? Where's the line between supportive partner and enslaved provider on the marriage plantation? This book doesn't apologize. It liberates. Shatter the myth of gender equality using evolutionary biology and hard data. Expose how attachment theory actually works when women seek dominant protectors. Reverse engineer female hypergamy to make loyalty inevitable. Unlearn the woke scripts that turned you into a tax donkey. Master the 4 non-negotiable traits that trigger women's primal respect. Destroy the male vulnerability scam that only benefits therapists. Reinstate spiritual fatherhood as civilization's immune system. Leverage sexual selection to make ambition irresistible. If you're tired of being a disposable utility in a gynocentric world, **BUY THIS BOOK TODAY**. Stop begging for rights. Reclaim your birthright.

Man-Made Eva Tutchell, John Edmonds, 2016-03-09 Why

are so few women in positions of power Why are government business the institutions and so much of British life dominated by men Eva Tutchell and John Edmonds find the answers by interviewing over a hundred successful women and discovering what it takes for a woman to get to the top The statistics are startling Britain is an 80 20 nation 80 per cent of the most powerful jobs are occupied by men and only 20 per cent by women Tutchell and Edmonds uncover the cultural and historical reasons for this extraordinary imbalance of power Their book is entitled *Man Made* because men have made the rules and women must do their best to fit in In spite of its claim to be a modern nation Britain is conditioned by a legacy that views men as doers and leaders and expects women to be helpers and supporters Many men still judge women more by their appearance than by their ability Most shocking of all *Man Made* reveals that the birth of children pushes the careers of most women into crisis Mothers are paid less and promoted less Ambitious women are tempted to make their children invisible to employers *Man Made* provides a rigorous and convincing analysis of the inadequacy of current policy and proposes a more thoroughgoing programme to achieve fairness and equality Tutchell and Edmonds speculate about whether a new generation of female activists can produce the political pressure to change the culture of Britain **Models eBook** GURMEET SINGH DANG, Women Who Succeed Susan Durbin,2016-02-16 The number of women in senior management remains stubbornly low *Women Who Succeed* examines the real life experiences of forty six senior women who have made it into senior management It considers the strategies that these women adopted the support they received and the relationships they formed in building their careers Managing Like a Man Judy Wajcman,2013-05-03 Why can t a man be more like a woman seems to be the catchcry of modern management gurus They claim to be revaluing feminine soft skills as qualities necessary for corporate success This book looks behind the rhetoric and investigates the gender relations of senior management in a post equal opportunities world The proportion of women managers has risen dramatically in the last twenty years yet there are still very few women getting to the top Based on a major study of five multinational corporations with model equality policies this book takes a critical look at women s and men s experience in a changing corporate climate Wajcman brings to bear feminist theories on equality and difference in employment together with organisational analysis in her assessment of whether women really do bring a distinct feminine style of management to tomorrow s organisations The main focus is on the process of masculine organizational culture that sexualizes women and excludes them from senior management But how comfortable are men with the masculinity of management This book presents fascinating material on the private lives of managers and looks at the interconnections between home and work for men as well as women The author reveals how relations between the sexes are negotiated in the corridors of power and at the kitchen sink The book will be of interest to undergraduates postgraduates and academics in the fields of sociology gender studies and management *A Year without Men* Allison Carmen,2021-07-06 A road map to every woman s success Glass ceilings MeToo Less than equal pay for equal work After decades fighting to free ourselves from male dominated social and economic structures women still struggle But

many of us are poised to rise up with innovative ways to approach the many problems facing today's world *A Year without Men* is an essential guide to every woman's success and liberation Using the events of a very painful year in her own personal and professional life her husband left her her consulting business took an unexpected hit and she faced a serious health scare business consultant and life strategist Allison Carmen explores the forces in women's personal and professional lives that hold us back In *A Year without Men* she offers twelve simple practical tools to help us look within find our own values morals and passions work on our skills call on other women and forge new ways to do business Together we can create a new way to earn money a new way to look at beauty and so many other new ways to be in the world Take a stand and gain the power to overcome any obstacle with *A Year without Men*

Keeping Women in Science Kate White, 2015-01-05 *Keeping Women in Science* examines the careers of women and men at a large Australian research institute and the challenges that women with or without children experience often resulting from direct and indirect discrimination and being positioned as outsiders The research found a huge generational change between the Baby Boomers the current science leaders and Gen X and Gen Ys Younger women and men reject the traditional model of a successful scientist a single male for whom science is like a religious vocation Instead they seek new models for doing science that support dual careers work flexibility and work life balance

Pop Goes the Decade Richard A. Hall, 2021-04-07 *Pop Goes the Decade* The 2000s comprehensively examines popular culture in the 2000s placing the culture of the decade in historical context and showing how it not only reflected but also influenced its times This resource starts with a timeline of major historical pop culture events of the 2000s followed by an introduction describing what the U S was like at the beginning of the new millennium and how it would change throughout the decade Next come chapters broken down by medium television sports music movies literature technology media and fashion and art A chapter on controversies in popular culture is followed by a chapter on game changers featuring 20 individuals who made a major impact on the U S in the 2000s Finally a conclusion shows the impact that pop culture in the 2000s has had on the U S in the years since This volume serves as a comprehensive resource for high school and college students studying popular culture in the 2000s It provides a summary of total impact plus specific insights into each individual topic It also includes a wide swath of the scholarship produced on the subject to date
