Search for Success Stephen Arterburn, Kenny Luck, Todd Wendorff, 2010-05-19 I've worked hard to get where I am. I've overcome great obstacles. I've earned it. No one had a greater right to say those statements more than King David. He rose from the fields of Palestine to the palace of power and privilege. He'd made it. But now that he was on top, would he continue to grow spiritually in the midst of his success? Self-sufficiency is a temptation every man faces. But we can't be both self-sufficient and on the move spiritually at the same time. Just as in David's life, God often allows us to experience the consequences of self-sufficiency so that we can rediscover our need for his leadership and empowerment in our lives. In the end, the crushing blows we face serve to humble us and forge the basis for the next wave of spiritual momentum in our lives. **Being God's Man in the Search for Success** will help you, whether in individual or group study, come to grips with the attitudes and actions you must own as you move forward to achieve God's goals for you in life. **How to Make a Success**

of Your Marriage - Psychological, Spiritual, and Emotional Guidance for a Long-Lasting Marriage without Counseling Deep Jyot Singh, John Davidson, 2017-02-26 Table of Contents Introduction It Is All His Fault But I Married Too Young Self-Justification Criticism and Contempt Escalation of the Situation The Silent Treatment Do NOT Bring Me Flowers Anymore The Importance of Physical Intimacy in a Successful Marriage Conclusion Author Bio Publisher Introduction All these years happily married and still going strong. Once while I was training under a psychologist, she told me that in her particular country, nobody had ever heard of marriage counseling because the option of divorce, a couple splitting up, was unheard of in their culture, traditions, and upbringing. For them, marriage was a once-in-a-lifetime proposition to be ended only after till death do us part. And even then, many partners did not marry again because they still considered themselves married to their spouses even after becoming a widow or widower. I also have been brought up in such a supposedly old-fashioned milieu, and society naturally thanks to our upbringing, culture, and one may almost say old-fashioned traditions, for every one of us, marriage is once and forever and never ever to be broken up under any circumstances. So it was with great surprise that I began to see the trend of divorces gaining popularity because that had become a modern fashionable option, and if so many people in the West were doing it, this was of course the best way of getting out of a partnership which one had begun considering to be a bit of a drag and look for more exciting options elsewhere. Sadly enough, you are going to be surprised to know that statistics say that 27% of married American men are going to have an extramarital affair just because it happened and they could not control it. Isn't it interesting to know that just three generations ago, their own grandparents considered

extramarital affairs to be a thing of shame not a thing of which a virtuous responsible father or husband did and faithfulness was a part of his principles upbringing tradition and culture He believed in his marriage vows And so did his wife And using him as an example his children followed in his steps But then suddenly in the 70s 80s and 90s it began to be fashionable to divorce and marry again not understanding about the emotional psychological spiritual physical and mental trauma this would have on all the members of the family parents and children The Carol of Jesus Christ Season 2 Chidubem Adie,2024-08-09 This book is centered on the revelation of Jesus Christ as the God who stripped Himself of deity left his glory and joined Himself with mortal men From this book you will discover that the reason why God gave us His son Jesus Christ is because it is not good for a man to be alone He desires to have a perfect and inseparable union with man thus to be able to become the help meet feet for man God needed to become a man because it is only by becoming a man that He could die to draw men to Himself Some of the topics covered in this book that might interest you includes The Marriage Ceremony of the Man who left His Father and Mother and Cleave to His Wife The Model Son for God s family A Family Born from Death Our Family Name The Book of Life Family Reunion The Prodigal Son The Marital Union Between God and Man He who Finds a Wife Why Did God Choose us in Marriage Can God s Own Marriage be Divorced How Honourable is God s Own Marriage Is God s Own Marriage for Better for Worse Is God s Own Marriage Till Death do us Part Will there be Marriage in the Resurrection God The Faithful Husband Married to the Backslider God The Faithful Husband Forever Married to the Believer God s Own Marriage An Example for the Believer to Follow The Children of God s Union PRAYERS FOR MARRIAGES In all you will not regret picking this book for a read because in it you will discover how that God s own marriage is an example you should adopt in your relationship with your spouse Happy reading **The Living Church** ,2004-07 **The Abundant Marriage** Focus on the Family,2004-01-02 This Bible study explores the concept that understanding and practicing biblical stewardship as a way of life gives joy and longevity to a marriage It will lead couples to discover how to be good managers of the time talents finances possessions and people that God has uniquely provided for them This the eighth study in the marriage series **The Oxford Handbook of Emerging Adulthood** Jeffrey Jensen Arnett,2016 The Oxford Handbook of Emerging Adulthood is the first and only comprehensive compilation spanning the field of emerging adulthood **The Secret Success of Marriage** BRANFORD B YEBOAH,2015-05-18 Prayer has always been a vital part of Christian life By studying the prayers of men of God in the Scriptures you will begin to understand the concept of prayer The men whose prayers moved God to act were ordinary men like us Nevertheless they knew the power of prayer and its benefits The prayer these men prayed was not ordinary prayer but intense prayer People who pray with God have a relationship with Him If you carefully study Scripture you will notice that the way the prophets prayed reveals how married couples should pray to move God to intervene in their failing marriages Their prayer demonstrates the principles that can be gleaned and clearly identified and which if applied to marital life can work wonders When studied the prayers of these great men who walked
