**End-Time Prophecy Made Easy** William Lightner, 2018-08-24 I chose the name End Time Prophecy Made Easy because my goal in writing this book was to simplify prophecy for the average layperson Moreover since Prophecy for Dummies was already taken and copy written I had to choose something If you are a biblical scholar or theological genius this book is definitely not for you However if you are one of the millions of regular people who would just like to know more about end time prophecy this book will make things easier to understand and reduce it to the bare bones It explains what the rapture is where it is located in the Bible and who it is directed toward It explains the tribulation judgment seat of Christ wedding banquet of the Lamb and millennium in nontechnical language This book also distinguishes the differences between the nation of Israel the church and the rest of the world describing their parts in each event It takes each end time event and besides describing what each event is puts it on a timeline depicting the order of these events Interestingly to most people this book also points to the various places in

the Bible where the United States is mentioned in prophecy Although the United States was not a nation at the time the Bible was written it gives a very extensive and widespread description of this country This description fits the United States to a tee It is so graphically expressive and vivid that as the description is given every other nation on the face of the earth is eliminated At the same time as the portrayal is depicted the case for it pointing to the United States grows It is obviously clear that the United States is this end time nation the Bible portrays     **If I Had a Million Dollars...I'd Ease the Pain of HIV/AIDS in Africa** Stephen Douglas,2004-09-26 In Africa every minute of every day five people die of AIDS and nine more are newly infected In 2003 a group of like minded energetic people got together to actively motivate and inspire their community to help ease the pain of HIV AIDS in Africa This manual was produced by the residents of York Region Ontario who have come together to raise awareness and money They chose the Stephen Lewis Foundation as the beneficiary of their efforts Follow their story and watch how a spark can become an inferno Their success can be your success This guide was written by Stephen Douglas on behalf of the York Region Committee in support of the Stephen Lewis Foundation Visit their web site at [www.york4stephenlewis.ca](http://www.york4stephenlewis.ca) for more information The AIDS pandemic is the biggest most monumental tragedy of our time Even more tragic is the fact that it can be stopped but hasn't been In Africa communities have been shattered by HIV AIDS Here in Canada our strong and caring communities have the power to ease the pain and suffering Let's unite our communities to help theirs Steven Page of the Barenaked Ladies     **Retreat Planning Made Easy** Shirley R. *The Reformation Made Easy* C. Matthew McMahon,2010-10-06 The history of the Reformation is a demonstration of one of the greatest revolutions that has ever been accomplished in human affairs by the sovereignty of God In many respects the history of the Reformation is distinct from that of Protestantism In the former everything bears the mark of a regeneration of the human race of a religious and social change emanating from God himself through the Gospel of Jesus Christ The Reformation was not a single moment in time where the stalwart reformer Martin Luther stood against the Roman Catholic Church at the Diet of Worms Instead in looking at the history of the Reformation we find it to be a much more complex organism and the direct result of God's vast work of providence across continents and countries Many times such a history is complex and difficult to wade through for the student In this work the Reformation is made easy     **Effective Men's**
