The Goodman of Paris (Le Ménagier de Paris) Eileen

Power, 2006 A first hand view of life in medieval France as seen through the eyes of an elderly man instructing his young wife The Goodman of Paris Le Ménagier de Paris wrote this book for the instruction of his young wife around 1393 He was a wealthy and learned man a member of that enlightened haute bourgeoisie upon which the French monarchy was coming to lean with increasing confidence When he wrote his Treatise he was at least sixty but had recently married a young wife some forty years his junior It fell to her to make his declining years comfortable but it was his task to make it easy for her to do so The first part deals with her religious and moral duties as well as giving a unique picture of the medieval view of wifely behaviour it is illustrated by a series of stories drawn from the Goodman's extensive reading and personal experience In the second part he turns from theory to practice and from soul to body compiling the most exhaustive treatise on household management which has come down to us from the middle ages Gardening hiring of servants the purchase and preparation of food are all covered culminating in a detailed and elaborate cookery book Sadly the author died before he could complete the third section on hawking games and riddles This unique glimpse of medieval domestic life presents a worldly dignified and compelling picture in the words of a man of sensibility and substance The distinguished historian EILEEN POWER was

How to Marry a Princess Christine Rimmer, 2013-11-01

Alice Bravo Calabretti was expected to conduct herself like a proper princess No more impulsive jaunts to neighboring countries No more tabloid escapades But the hot new stable hand was a scandal waiting to happen His bold blue eyes and come hither smile could tempt a Bravo Royale to misbehave Until Alice discovered her penniless groom was an American tycoon looking for a princess bride Alice was everything Noah Cordell wanted in a wife But his royal heartthrob refused to say I do until he gave up his most carefully guarded secret And she wouldn't settle for anything less than everything he had to give Only then could they share a true meeting of minds and hearts Bravo Cordell style

Marriage from the Heart

Donald R. Downing, 2010-04 Marriage is God's idea He has no bad ideas He brought Eve to Adam married them and they lived as husband and wife for over 900 years Genesis 2 21 25 and 5 5 By this we can conclude that divorce was not God's idea but Satan's idea to destroy God's ideas plans and purpose of marriage between a man and a woman We seek to find the right person when the greater picture is to be the right person Man sets the time for the wedding but God sets the time for the marriage There is a great difference between a wedding and a marriage Many walk down the aisle to be wedded for all the wrong reasons Saying I do and placing wedding rings upon fingers does not always mean they are married within their hearts This book reveals that a man and a woman may marry and yet not be a true husband and wife It stresses the importance of friendship courtship engagement and being married from the heart Introducing a revolutionary approach to the covenant of marriage this book addresses commitment romance love keeping a right heart a sound mind and a pure relationship Dr Donald R Downing is a heart physician and specialist from God to the body of Christ He has written over 12

books and considers Marriage from the Heart to be one of his most important writings He believes the only way to defeat the high rate of divorce and separation is to restore romance to the relationship and to be truly married from the heart
