NAMED ONE OF THE BEST BOOKS OF THE YEAR BY KIRKUS REVIEWS. This searching collection opens with the death of Ayelet Tsabari's father when she was just nine years old. His passing left her feeling rootless devastated and driven to question her complex identity as an Israeli of Yemeni descent in a country that suppressed and devalued her ancestors traditions. In *The Art of Leaving* Tsabari tells her story from her early love of writing and words to her rebellion during her mandatory service in the Israeli army. She recounts her first marriage her struggle to define herself as a writer in a new language her decision to become a mother and finally her rediscovery and embrace of her family history a history marked by generations of headstrong women who struggled to choose between their hearts and their homes. Eventually she realizes that she must reconcile the memories of her father and the sadness of her past if she is ever going to come to terms with herself. With fierce emotional prose Ayelet Tsabari crafts a beautiful meditation about the lengths we will travel to try to escape our grief the universal search to find a place where we belong and the sense of home we eventually find within ourselves. Praise for *The Art of Leaving* The Art of

Leaving is in large part about what is passed down to us and how we react to whatever it is.
