Testimonial: I just wanted to drop you guys a line and tell you that I passed my final CLEP exam last Monday, which gives me all of the credits I need to graduate. I have taken 30 credits worth of CLEP exams and I've passed them all by using your study guides. I actually purchased one of your study guides and failed my first test. I didn't fail because of your guide, though. I failed because I didn't manage my time effectively and I ran short. I looked at your study guide after failing, though, and a lot of the information on your study guide was very relevant to what was on the test. So I tried again with a different test and a different study guide of yours. I passed. This pattern continues for 30 credits. I graduate on June 9th, thanks to you guys, so I wanted to say thank you. The guides were worth every penny. Thanks, John S.

I would like to thank you for your study guides. I will be graduating in December with two bachelor degrees, and CLEP helped me get there quickly. I gained 36 credits through CLEP, and your study guides helped me through almost all of them. I can honestly say that I would not have passed many of the tests without your guides. Great products. Thanks, Erin W.
