Koran In The Light Of Christ:

The Koran in the Light of Christ Giulio Basetti-Sani,1977 **The Light of Christ** Thomas Joseph White,2017-09-14

This introduction to Catholicism combines scholarly depth with an engaging style to present the what and why of Catholic belief with exceptional clarity Charles J Chaput OFM Cap Archbishop of Philadelphia In The Light of Christ Fr Thomas Joseph White provides an accessible presentation of Catholic doctrine that is both grounded in traditional theology and engaged with contemporary concerns Inspired by the theologies of Irenaeus Thomas Aquinas and John Henry Newman Father White covers the major doctrines of the Christian religion including knowledge of God the mystery of the Trinity the incarnation and the atonement the sacraments and the moral life eschatology and prayer The Light of Christ also addresses topics such as evolution the modern historical study of Jesus and the Bible and objections to Catholic moral teaching Authoritative yet accessible this book serves as an excellent introduction for general readers or as a helpful text for theology courses in a university context This is a book that offers itself as a companion My goal is to make explicit in a few broad strokes the shape of Catholicism I hope to outline its inherent intelligibility or form as a mystery that is at once visible and invisible ancient and contemporary mystical and reasonable Father White from the Introduction *Saint Francis and the Sultan* John V.

Tolan,2009-03-26 In September 1219 as the armies of the Fifth Crusade besieged the Egyptian city of Damietta Francis of Assisi went to Egypt to preach to Sultan al Malik al K mil Although we in fact know very little about this event this has not prevented artists and writers from the thirteenth century to the twentieth unencumbered by mere facts from portraying Francis alternatively as a new apostle preaching to the infidels a scholastic theologian proving the truth of Christianity a champion of the crusading ideal a naive and quixotic wanderer a crazed religious fanatic or a medieval Gandhi preaching peace love and understanding Al K mil on the other hand is variously presented as an enlightened pagan monarch hungry for evangelical teaching a cruel oriental despot or a worldly libertine Saint Francis and the Sultan takes a detailed look at these richly varied artistic responses to this brief but highly symbolic meeting Throwing into relief the changing fears and hopes that Muslim Christian encounters have inspired in European artists and writers in the centuries since it gives a uniquely broad but precise vision of the evolution of Western attitudes towards Islam and the Arab world over the last eight hundred years *The Qur'an and its Biblical Subtext* Gabriel Said Reynolds,2010-06-10 This book challenges the dominant scholarly notion that the Qur n must be interpreted through the medieval commentaries shaped by the biography of the prophet Muhammad arguing instead that the text is best read in light of Christian and Jewish scripture The Qur n in its use of allusions depends on the Biblical knowledge of its audience However medieval Muslim commentators working in a context of religious rivalry developed stories that separate Qur n and Bible which this book brings back together In a series of studies involving the devil Adam Abraham Jonah Mary and Muhammad among others Reynolds shows how modern translators of the Qur n have followed medieval Muslim commentary and demonstrates how an appreciation of the Qur n s Biblical subtext

uncovers the richness of the Qur'an's discourse Presenting unique interpretations of 13 different sections of the Qur'an based on studies of earlier Jewish and Christian literature the author substantially re-evaluates Muslim exegetical literature Thus *The Qur'an and Its Biblical Subtext* a work based on a profound regard for the Qur'an's literary structure and rhetorical strategy poses a substantial challenge to the standard scholarship of Qur'anic Studies With an approach that bridges early Christian history and Islamic origins the book will appeal not only to students of the Qur'an but of the Bible religious studies and Islamic history

The Quranic Jesus in the Light of the Gospel Salvatore Carzedda,1990 **Jesus Christ in World History** Jan A. B. Jongeneel,2009 Based on the author's thesis Th D Leiden University 1971 **The Qur'an's Reformation of Judaism and Christianity** Holger M. Zellentin,2019-03-20 This volume explores the relationship between the Qur'an and the Jewish and Christian traditions considering aspects of continuity and reform The chapters examine the Qur'an's retelling of biblical narratives as well as its reaction to a wide array of topics that mark Late Antique religious discourse including eschatology and ritual purity prophetology and paganism and heresiology and Christology Twelve emerging and established scholars explore the many ways in which the Qur'an updates transforms and challenges religious practice beliefs and narratives that Late Antique Jews and Christians had developed in dialogue with the Bible The volume establishes the Qur'an's often unique perspective alongside its surprising continuity with Judaism and Christianity Chapters focus on individual suras and on intra-Qur'anic parallels on the Qur'an's relationship to pre-Islamic Arabian culture on its intertextuality and its literary intricacy and on its legal and moral framework It illustrates a move away from the problematic paradigm of cultural influence and instead emphasizes the Qur'an's attempt to reform the religious landscape of its time The Qur'an's Reformation of Judaism and Christianity offers new insight into the Islamic Scripture as a whole and into recent methodological developments providing a compelling snapshot of the burgeoning field of Qur'anic studies It is a key resource for students and scholars interested in religion Islam and Middle Eastern Studies

The Church Going Global Tormod Engelsviken,Erling Lundebj,Dagfinn Solheim,2011 *The Arab Christ* Mouchir Basile Aoun,2022-11-15 A reflection on Christianity in Arab society This work explores the Christian faith in the current intercultural context of Arab societies It argues that Arab Christianity seeks to express the Christian faith through openness to Muslim otherness existential conviviality and fraternal solidarity In order to safeguard not only the physical existence of these communities but also and above all the relevance and richness of their message of life the theological reflection presented here takes on a three-part task First it faithfully describes the sociopolitical and sociocultural reality of the historical integration of Arab Christian communities Second it reinterprets the content of the Christ event with reference to the challenge of Muslim otherness And finally it offers a path for conversion that involves a form not only of evangelical practice designed to foster bonds of fraternal solidarity between the inhabitants of the Arab world but also of shared spiritual quest for moral and political commitment

Christianity and the Qur'an Gabriel Said Reynolds,2025-09-02 A leading Qur'anic scholar's revisionary account of how

Islam emerged in dialogue with Christian traditions Challenging the dominant narrative about the history of the Qur'an and the emergence of Islam in a predominantly pagan context Gabriel Said Reynolds presents the Qur'an as a text born within a largely Christian culture As he examines the ways the Qur'an engages with Christian traditions not only those of the New Testament but also those of late antique Christian literature and with Christians themselves Reynolds also draws on recent scholarship on pre-Islamic Arabic inscriptions suggesting that monotheism Christianity in particular was a significant presence in the pre-Islamic Hijaz the region in which Muhammad preached This study re-situates the Qur'an as a text thoroughly concerned with Christianity not just the longer narratives of individuals such as Mary and Jesus but also passages that do not mention Christians explicitly The Qur'an's stance toward Christianity is on occasion controversial aiming to advance Islamic theology and undermine Christian apologetical arguments yet the Qur'an is not always polemical At times the text makes use of the audience's knowledge of the Bible to advance its own vision of God and God's relationship with humanity

The Quranic Jesus Carlos Andrés Segovia, 2018-11-19 Is it possible to rethink the multilayered and polyvalent Christology of the Qur'an against the intersecting of competing peripheral Christianities anti-Jewish Christian polemics and the making of a new Arab state in the 7th century Near East To what extent may this help us to decipher moreover the intricate redactional process of the quranic corpus And can we unearth from any conclusions as to the tension between a messianic oriented and a prophetic guided religious thought buried in the document By analysing first the typology and plausible date of the Jesus texts contained in the Qur'an which implies moving far beyond both the habitual chronology of the Qur'an and the common thematic division of the passages in question and by examining in the second place the Qur'an's earliest Christology via its later and indeed much better known Muhamadan kerygma the present study answers these crucial questions and thereby sheds new light on the Qur'an's original sectarian milieu and pre-canonical development

The Magazine of Christian Literature, 1891 Christ, the light of the world, by an episcopalian Jesus Christ, 1893

The Complete Works of C. H. Spurgeon, Volume 62 Spurgeon, Charles H., Volume 62 Sermons 3493-3544 Charles Spurgeon 19 June 1834-31 January 1892 is one of the church's most famous preachers and Christianity's foremost prolific writers Called the Prince of Preachers he was one of England's most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon's messages to be among the best

in Christian literature Edward Walford wrote in Old and New London Volume 6 1878 quoting an article from the Times regarding one of Spurgeon s meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason

Delmarva Publications has chosen to publish the complete works of Charles Spurgeon **The Holy Koran in the Library of Congress** Library of Congress,1993 *Sharing Your Faith With A Muslim* Abdiyah Akbar Abdul-Haqq,1980-08-01 This is the book for you if you are serious about communicating the truth of the Gospel to Muslims It is thorough It is authoritative It is written by a third world Christian whose father was a convert from Islam It is the contention of the author that an effective evangelistic approach to the adherents of Islam must be based upon a study of Christ as He is found in both Scripture and the Koran Christ then becomes the bridge between the two faiths Such a search is to Abdul Haqq the natural means of introducing the Savior Having seen Christ on the pages of the Bible he moves on to a presentation of the great issues of sin salvation and the nature of God as the final pressing points to raise in efforts to win Muslim friends and neighbors to Jesus

Encounters & Clashes: Texts Jean-Marie Gaudeul,1984 **Portraits of the Great "I Am"** Ernest LeVos,2017-03-14 Charles Haddon Spurgeon 1834-92 was an heir of the Puritans As a beneficiary of the Puritan tradition of preaching the last of the Puritans Spurgeon set a high standard for preaching from the sacred scriptures by focusing on a specific text for the congregation to understand he would explain the main words and parts of the text persuasively proclaiming the gospel message of the text *Portraits of the Great I AM* provides a window into the practical applications and principles Spurgeon applied in his seven great I AM sermons based on the gospel of John According to Spurgeon believers who dwell on Christ the Great I AM will obtain the best apprehensions of the Father through the Son Jesus said to Philip He who has seen Me has seen the Father John 14 9 NKJV Author and historian Ernest LeVos has carefully edited and presented Spurgeons seven

portraits of Christ who said I am the bread of life the light of the world the door the good shepherd the resurrection the way truth and life and the vine and these portraits can be used as a devotional for morning and evening personal worship
Spurgeons seven great I AM sermons can help believers be blessed and they can offer a time for reflection and meditation on the life and the walk of faith Rejoice that the Father gave us the inspired scriptures to read about and consider by faith Gods beloved Son **Jesus, Interpreted** Matthew J. Ramage, 2017 In this sequel volume to his Dark Passages of the Bible CUA Press 2013 author Matthew Ramage turns his attention from the Old to the New Testament now tackling truth claims bearing directly on the heart of the Christian faith cast into doubt by contemporary New Testament scholarship Did God become man in Jesus or did the first Christians make Jesus into God Was Jesus resurrection a historical event or rather a myth fabricated by the early Church Will Jesus indeed return to earth on the last day or was this merely the naive expectation of ancient believers that reasonable people today ought to abandon **Subject Catalog** Library of Congress, 1979
