Hashim, 2017-10-13 This book shares the learnings and perspectives of two pioneer women who waded the many challenges posed by multiculturalism and gender in one of the corporate environments more rigid and traditional in the business world the energy sector in the Middle East How they managed to create a growth space for themselves and their teams is a story of professional and personal tenacity shaping a privileged perspective that enabled them to understand the root causes of barriers as well as envision plausible solutions They propose in the book not only their vision but a remarkable collection of unfiltered interviews to influential leaders in the energy sector to complete a vision of what is key to achieve success when leading or consulting in a corporate environment The book offers a compilation of very personal approaches to professionalism resilience work and ultimately success from within and outside the ranks of highly regarded corporations in the energy sector The ultimate aim is that of triggering a self reflection in the readers grounded on the learnings and perspectives of those who made it to the highest roles of one of the less understood business environments      *Sunrise* Kristin Abello, 2021-11-30 In 2002 while on a training run in Houston Texas with her husband Raul in preparation for the Marine Corps Marathon author Kristin Abello was struck by a car As a result she sustained a traumatic brain injury and other physical traumas The initial consensus was that she wasn't going to survive In *Sunrise* she tells her story of faith love hope and healing from TBI While a love story it is also the true story of her fight for survival She and Raul were a young couple in love when the catastrophic car accident nearly pulled them apart Abello tells how the support and prayers of her husband family and friends formed the basis of her miraculous recovery      *Kristin Saleri Semra* Garmaner, Zeynep Rona, Catalog of works by Kristin Saleri including a history of Turkish painting reviews of the artist's works and the artist's resume Kristin Saleri like some of her contemporaries was deeply interested in the rural life and the folklore themes of Anatolia Her linear abstraction has its roots in the decorative abstraction of the milieu which aimed to base abstract art on the traditional forms The concept of tradition in Saleri's paintings materialized in the form of nature figure and folklore Zeynep Rona page 15      *WHO IS AN ARTIST?* ÖZKAN EROĞLU, 2024-05-29 While the first edition of this book has printed 3000 copies in 2002 and has been sent to all media members journalists and leading figures of art circles it has been neglected by many except of a weekly magazine We have stated that we stood by our theories in our book this stand did not change even this day The Turkish part and charts has been delivered as an add on to our 2015 book *Türkiye'de Resim Sanatı* Now with the second edition of the Turkish English original writing we are representing the state of our painting between 1850-2000 in 2002 viewpoint We also would like to state that in order to truly present the state of the painting after 2000 we need at least 100-150 years therefore we believe that a hasty action should not be taken
