Kryn Taconis Photojournalist:

Kryn Taconis Brian Carey, Louise Guay, Kryn Taconis, 1989 Photography's Orientalism Ali Behdad, Luke Gartlan, 2013-10-01 The Middle East played a critical role in the development of photography as a new technology and an art form Likewise photography was instrumental in cultivating and maintaining Europe's distinctively Orientalist vision of the Middle East As new advances enhanced the versatility of the medium nineteenth century photographers were able to mass produce images to incite and satisfy the demands of the region's burgeoning tourist industry and the appetites of armchair travelers in Europe In this way the evolution of modern photography fueled an interest in visual contact with the rest of the world Photography's Orientalism offers the first in depth cultural study of the works of European and non European photographers active in the Middle East and India focusing on the relationship between photographic literary and historical representations of this region and beyond The essays explore the relationship between art and politics by considering the connection between the European presence there and aesthetic representations produced by traveling and resident photographers thereby contributing to how the history of photography is understood Bearing Witness Sherrill Grace, Patrick Imbert, Tiffany Johnstone, 2012-10-01 As the centenary of the Great War approaches citizens worldwide are reflecting on the history trauma and losses of a war torn twentieth century It is in remembering past wars that we are at once confronted with the profound horror and suffering of armed conflict and the increasing elusiveness of peace The contributors to Bearing Witness do not presume to resolve these troubling questions but provoke new kinds of reflection They explore literature the arts history language and popular culture to move beyond the language of rhetoric and commemoration provided by politicians and the military Adding nuance to discussions of war and peace this collection probes the understanding and insight created in the works of musicians dramatists poets painters photographers and novelists to provide a complex view of the ways in which war is waged witnessed and remembered A compelling and informative collection Bearing Witness sheds new light on the impact of war and the power of suffering heroism and memory to expose the human roots of violence and compassion Contributors include Heribert Adam Simon Fraser University Laura Brandon Carleton University Mireille Calle Gruber Universit La Sorbonne Nouvelle Janet Danielson Simon Fraser University Sandra Djwa emeritus Simon Fraser University Alan Filewod University of Guelph Sherrill Grace University of British Columbia Patrick Imbert University of Ottawa Tiffany Johnstone PhD Candidate University of British Columbia Martin L schnigg Graz University Lauren Lydic PhD University of Toronto Conny Steenman Marcusse Netherlands Jonathan Vance University of Western Ontario Aritha van Herk University of Calgary Peter C van Wyck Concordia University Christl Verduyn Mount Allison University and Anne Wheeler filmmaker **Building Liberty** Conny Steenman-Marcusse, Aritha Van Herk, 2005 Contains selected papers from the conference Building Liberty Canada and World Peace 1945 2005 June 2 4 2005 held by The Association for Canadian Studies in the Netherlands ACSN at Middelburg and poems by George Elliott Clarke Frank

Davey Janice Kulyk Keefer and Christl Verduyn *The British Journal of Photography*, 2000 **Encyclopedia of Twentieth-Century Photography, 3-Volume Set** Lynne Warren, 2005-11-15 The Encyclopedia of Twentieth Century Photography explores the vast international scope of twentieth century photography and explains that history with a wide ranging interdisciplinary manner This unique approach covers the aesthetic history of photography as an evolving art and documentary form while also recognizing it as a developing technology and cultural force This Encyclopedia presents the important developments movements photographers photographic institutions and theoretical aspects of the field along with information about equipment techniques and practical applications of photography To bring this history alive for the reader the set is illustrated in black and white throughout and each volume contains a color plate section A useful glossary of terms is also included The Archivist, 1991 **History of Photography** Laurent Roosens, 1994 Humanitarian Photography Heide Fehrenbach, Davide Rodogno, 2015-02-23 For well over a century humanitarians and their organizations have used photographic imagery and the latest media technologies to raise public awareness and funds to alleviate human suffering This volume examines the historical evolution of what we today call humanitarian photography the mobilization of photography in the service of humanitarian initiatives across state boundaries and asks how we can account for the shift from the fitful and debated use of photography for humanitarian purposes in the late nineteenth century to our current situation in which photographers market themselves as humanitarian photographers This book investigates how humanitarian photography emerged and how it operated in diverse political institutional and social contexts bringing together more than a dozen scholars working on the history of humanitarianism international organizations and nongovernmental organizations and visual culture in Africa Asia the Middle East Europe and the United States *Canadiana*, 1989-06 **The Legacy of Yugoslavia** Othon Anastasakis, Adam Bennett, David Madden, Adis Merdzanovic, 2020-06-25 What are the consequences of Yugoslavia's existence and breakup for the present This book reflects on this very question identifying and analysing the political legacies left behind by Yugoslavia through the prism of continuities and ruptures between the past and present of the area After the collapse of Yugoslavia its former states adopted a nation building process which opted to eradicate the past as such an approach seemed more convenient for the new national projects The new states adopted new institutions new market oriented economic paradigms and new national symbols Yugoslavia existed for 70 years and to consider the current political situation in post Yugoslav states such as Slovenia Croatia Bosnia and Herzegovina Serbia Montenegro North Macedonia and Kosovo without taking into account the legacy and remnants of Yugoslavia is to discount a vital part of their political history This volume takes a multi disciplinary and multi faceted approach to examining the legacy of Yugoslavia covering politics society international relations and economics Focusing on distinctive features of Yugoslavia including worker self management the combination of liberalism and communism and the Cold War policy of Non Alignment The Legacy of Yugoslavia places Yugoslavia in historical perspective and connects the region's past with its contemporary
