Lessons From The Edge Survival Skills For Starting And Growing A Company:

Lessons From the Edge Jana Matthews, Jeff Dennis, 2003-09-04 Entrepreneurs often struggle with many aspects of business planning and financing company growth creating a company vision recruiting leading and managing people as well as personal costs In *Lessons from the Edge* more than 50 business owners and entrepreneurs offer a wealth of real life stories in their own words that provide rare insights about keeping a company healthy and growing Here is a unique collection of first person accounts by entrepreneurs who describe their mistakes in business and the lessons they have learned as a result The stories cover a wide range of experiences from the trials and tribulations of partnerships to the loss of key customers theft finding and retaining employees and the personal cost of living on the edge The authors have drawn on interviews with more than 50 entrepreneurs all of whom are under 45 years of age and are founders or presidents of companies with revenues over 1 million and growing rapidly They volunteered to share their stories describing why they lost or almost lost their companies what they did wrong and the lessons they have learned Their narratives are full of mistakes failure courage moments of realization and timely moves that saved the day Every company owner will find these accounts insightful compelling and occasionally gut wrenching especially because most face similar challenges and live with the reality that they too could fall off the edge This instructive and inspiring book brims with lessons for all business owners about courage persistence and survival *Lessons from the Edge* is an essential read for both established and prospective entrepreneurs
