suffering and death during his three years with Lee's Army of Northern Virginia had been enough. He just couldn't ride out after breaking up the Comanchero raid. Not and leave a defenseless woman and two starving young uns. His drifting would just have to wait a spell. Calling on some of his former Texas Cavalry partners for help, Will begins building Widow Ida McMoray's herd from mavericks he can trap out of the rough Devils River country. As the herd grows, Will runs afoul of the widow's brother-in-law, Clyde McMoray, and his pack of cutthroats. It is McMoray's plan to someday own the ranch as well as lovely Ida. As Will's time on the ranch lengthens, so does his desire for the hand of Ida, yet he has nothing to offer her but his strong back and his gun.

PIG BOY THE GENESIS Howard Ramsby, Sr., 2012-04-13 A journey through the days of growing up in rural Mississippi in the 1950's. A look at the sad, the happy, the cruel and the joy of living in a not so perfect world. A mixture of folklore, reality and the fantasy side of life as seen through the eyes of a child. A look at relationships between family, races and communities at a time when nothing was perfect. A look at what it took to survive when survival was not promised to anyone. A look at life in a time and place that will never again be.
