

# Let Evening Come

Let the light of late afternoon  
shine through chinks in the barn, moving  
up the bales as the sun moves down.

Let the cricket take up chafing  
as a woman takes up her needles  
and her yarn. Let evening come.

Let dew collect on the hoe abandoned  
in long grass. Let the stars appear  
and the moon disclose her silver horn.

Let the fox go back to its sandy den.  
Let the wind die down. Let the shed  
go black inside. Let evening come.

To the bottle in the ditch, to the scoop  
in the oats, to air in the lung  
let evening come.

Let it come, as it will, and don't  
be afraid. God does not leave us  
comfortless, so let evening come.

Traveling on Grace Street Jeff Blake, 2013-07 Traveling on Grace Street The most important lesson I have learned in the fifty years I have spent working toward the building of a better world is that the true work of social transformation starts within It begins inside your own heart and mind Thus to truly revolutionize our society we must first revolutionize ourselves It s been a long journey all the way from stepping off a cotton farm in Alabama to the epicenter of the struggle for civil rights in America Some days when I go to my office in the early morning and look out over the great monuments beyond the Capitol I think How could this be How could a poor boy from Alabama have lived such a life I tell you it has been the grace of God Jeff Blake a brother from Alabama has written the story of grace in his own journey and I am pleased to commend his Traveling on Grace Street to you He too has been in the struggle He too has kept his eye on the prize John Lewis United States Congressman Atlanta Georgia

The Poetry of Loss Judith Harris, 2023-05-15 The Poetry of Loss Romantic and Contemporary Elegies presents a renewed look at elegy as a long standing tradition in the literature of loss exploring recent shifts in the continuum of these memorial poems This volume investigates the tensions arising in elegiac formulations of grief

through detailed analyses of seminal poets including Wordsworth Keats and Plath using psychoanalytic precepts to reconceptualize consolation through poetic strategies of inner representation and what it might mean for personal and collective experiences of loss Tracing the development of elegy beyond extant readings this volume addresses contemporary constructs of mourning and their attendant polemics within the wider culture as extensions of elegiac longings and the tendency to refuse consolation and cede to the endlessness of grief Furthermore this book concludes that contemporary elegies break with conventions of poetic structure and expression rather than the poets seeking resolution to grief through compensation they often find themselves dwelling within the loss rather than externalizing and transcending it *The Poetry of Loss Romantic and Contemporary Elegies* examines these developing psychoanalytic concepts pertaining to a poetics of loss providing readers with a new appreciation of mourning culture and contemporary attitudes towards grief *Indianapolis Monthly*, 2006-09 *Indianapolis Monthly* is the Circle City's essential chronicle and guide an indispensable authority on what's new and what's news Through coverage of politics crime dining style business sports and arts and entertainment each issue offers compelling narrative stories and lively urbane coverage of Indy's cultural landscape *The Crafty Poet II: A Portable Workshop* Diane Lockward, 2017-01-10 *The Crafty Poet II* is organized into ten sections beginning with *Revising Your Process* That section is followed by one on *Entryways into Poems* which considers how a poet might get going with a poem and how a poet might pull in a reader with humor and enticing titles There is in depth discussion of the importance of choosing the right words using syntax line breaks and spacing to advantage and enhancing the music of poems There is a meaty section on how to add complication to your poems another on how to divert or transform your poems from their original intention and another on special forms of poems In *Expanding the Material* three poets consider how to write poetic sequences using paintings photographs and history The final section *Revision* moves beyond the usual advice to get rid of adjectives as one poet offers ways to revise via sound another offers a series of expansion strategies and finally poet Dick Allen issues a warning against excessive revision All ten sections include three craft tips each provided by an experienced accomplished poet Each of these thirty craft tips is followed by a Model poem and a Prompt based on the poem Each model poem is used as a mentor expressing the underlying philosophy of the book that the best teacher of poetry is a good poem Each prompt is followed by two Sample poems which suggest the possibilities for the prompts and should provide for good discussion about what works and what doesn't Each section includes a Poet on the Poem Q A about the craft elements in one of the featured poet's poems Each section concludes with a Bonus Prompt each of which provides a stimulus on those days when you just can't get your engine started *Faith and Doubt* Patrice Vecchione, 2007-04-03 A collection of poems from around the world that explores the many facets of faith and doubt *Beyond the Sunset* Ron Shafer, 2023-08-31 In *Beyond the Sunset* the sixth novel in Ron Shafer's *There Is a River* saga two cultures repeatedly collide Jude and Cory's world of love embodied in their beautiful wedding and honeymoon clashes with the world of the carnal thugs The intelligent Todd Cravener pitifully caught in

the crossfire between the two worlds deals with the overwhelming guilt of his girlfriend's death. Is there hope for such misdirected people who botch their lives so completely? In the words of one reader, Todd is like many people today: forlorn, hopeless, and scared. The lives of the antagonists and the protagonists of these two worlds crisscross in a series of breath-taking episodes which build to a riveting climax during Kittanning's Light up Night when the inebriated stooges kidnap two innocent people. That a reader shares is one of the most suspenseful scenes I've read in modern fiction. My pulse soared. Will the daring rescue scheme succeed?
