Letting Go Jean Sage, 2015-10-12 Born in 1947 in New York City I was adopted and raised in Pittsford New York I always considered myself a bit of an outlier I never fit into a category Intuition humor and instinct guided my life choices I created my good luck and my bad luck I was well educated at an east coast boarding school but hated school My love of reading has always been my institution of higher learning I have a mind that is infinitely curious about everything but I have a particular fascination for psychology all spiritual knowledge quantum science and political policies I have gratefully been able to adapt to most situations because I learned long ago that chaos and change would most likely be my life's paths      *Letting Go* SF Benson, 2018-07-06 A wraith and a human and a brush with death Falls Creek is a town where supernaturals live out in the open but only select humans know their existence Whether it's in the water or something more sinister love has come to Falls Creek and nobody is immune Not even a cantankerous spirit relegated to the shadows Yet a horrific accident prompts the former Pretorian guard into action Uraeleus never thought he'd save the life of a human He especially didn't expect to develop feelings for the wheelchair bound ballerina When Uraeleus gets a second chance at life can he let go and learn to love again      "Dearest Angel ..." William Zimmerman, 2010-07-14 After suffering the traumatic loss of his child to abortion the day before his twenty fifth birthday in 1999 William found himself in a mental and emotional whirlwind of despair and regret of depression and guilt Nothing could prepare him for the devastating experience of losing a child and the emotions he

would encounter in the aftermath The many thoughts and emotions that he experienced after the abortion were becoming far too much for his mind to contain Eighteen months after the abortion he began writing letters to the child he lost as a desperate cry for help Realizing the purpose behind the pain William battled every emotional demon imaginable to document his journey He knew he wasn't alone in his grief He wanted others who have suffered from the loss of their children to abortion to know that they too were not alone He worked on this journey over the course of ten years He has seen the depths of an emotional hell in which he questioned his own will to live Dearest Angel is the document of his journey a journey of regret and repair of grief and gratitude and of hurt and healing **The Admirable Lady Biddy Fane** Frank
