

LET IT RAIN

A man in a dark suit and white shirt stands with his arms outstretched, looking up at the sky. He is in the middle of a heavy rain shower. The background shows dark, stormy clouds with a bright light source, possibly the sun or moon, breaking through. The overall mood is one of surrender and hope.

Make It Rain Sasha Marshall, 2019-09-20 Kip When you rip the Guitar Goddess's world apart and your own how in the f--- are you supposed to find redemption She's my world and I've shattered her What began as a break for us to both heal ends in the dissolution of our relationship I committed the most unforgivable transgression One more tragedy one more f---ing tragedy may be the only way back into her heart I have one more chance to explain what really happened and hope she believes me But maybe not everything is as it seems Henley He was the only one who had never betrayed me until he did He never lied to me until he did He was always by my side until he wasn't The one person who had always been my constant best friend and then lover left me Then he showed up again with his gorgeous green eyes tattoos and undercut and I have a hard time staying away But I also can't seem to look him in the eye anymore I can't give him any more of my heart because that precious little organ barely survived him the first time Maybe we should never have crossed the line from friends to lovers If we hadn't I'd still have him by my side If we'd never danced the way we did he'd still be my best friend I

don't know how he's supposed to fit into my life anymore. He's always made my life brighter, happier, and carefree. How do you learn to live without that? I thought I knew everything about him, but now I question everything. This book is not a stand-alone novel. Books 1-4 in the Guitar Face Series should be read first. If you are looking for a story of redemption with comic relief and a heavy sexual tone, you've found it. If you are offended by hot tattooed rock stars who are vulgar, then this is not the book for you. Please be warned: this book is not for anyone below the age of 18. The book has sex, death, violence, and harsh language.

About the author: Award-winning author Sasha Marshall, a concert photographer, toured with legendary bands such as The Allman Brothers Band. A self-proclaimed free spirit, she's most often found outdoors or painting a canvas capturing a photograph of people watching, reading a book, or writing a new book. Sasha makes her home in the beautiful state of Georgia and loves to hear from readers.
