surrounded by the cares of daily life How can a mother love her child without ceasing How can the eyelid without ceasing hold itself ready to protect the eye How can I breathe and feel and hear without ceasing Because all these are the functions of a healthy natural life And so if the spiritual life be healthy under the full power of the Holy Spirit praying without ceasing will be natural Pray Without Ceasing Does it refer to continual acts of prayer in which we are to persevere till we obtain or to the spirit of prayerfulness that should animate us all the day It includes both The example of our Lord Jesus shows us this We have to enter our closet for special seasons of prayer we are at times to persevere there in importunate prayer We are also all the day to walk in God s presence with the whole heart set upon heavenly things Without set times of prayer the spirit of prayer will be dull and feeble Without the continual prayerfulness the set times will not avail Pray Without Ceasing Does that refer to prayer for ourselves or others To both It is because many confine it to themselves that they fail so in practicing it It is only when the branch gives itself to bear fruit more fruit much fruit that it can live a healthy life and expect a rich inflow of sap The death of Christ brought Him to the place of everlasting intercession Your death with Him to sin and self sets you free from the care of self and elevates you to the dignity of intercessor one who can get life and blessing from God for others Know your calling begin this your work Give yourself wholly to it and before you know it you will be finding something of this Praying always within you
