Let There Be Light:

Let There Be Light Yaniv C, 2012-06-06 The book of Zohar Radiance also known as The Zohar is regarded by many as the most enchanting and mysterious composition ever to be written No other literary work has provoked quite so much awe and admiration among writers thinkers and spiritual seekers The Zohar contains all the secrets of creation but until recently the wisdom of Kabbalah was locked under a thousand locks Thanks to the work of Rav Yehuda Ashlag 1884 1954 the last of the great Kabbalists The Zohar is revealed today in order to propel humanity to its next degree Ashlag s Sulam Ladder commentary has made The Zohar accessible to all Let There Be Light contains selected excerpts from the series Zohar for All a refined edition of The Book of Zohar with the Sulam commentary Each piece was carefully chosen for its beauty and depth as well as its capacity to draw the reader into The Zohar and get the most out of the reading experience The number at the beginning of each item marks the item in the portion from which it was taken More importantly as The Zohar speaks of nothing but the intricate web that connects all souls diving into its words attracts the special force that exists in that state of oneness where we are all connected The Zohar is the bridge that connects us to that source of energy and vitality that permeates all of reality

Let There Be Light Joe Giovanelli, 2010-10 This inspirational memoir will provide hope to many of us who feel at times discouraged stuck in what we think is a helpless situation bullied on the playgrounds of life or shunned for being different Joe Giovanelli was born blind at a time when blind children were often warehoused in special schools and then shunted off to work in sheltered workshops But not for Joe His school teacher mom pushed for a good education and his dad encouraged Joe s mechanical aptitudes Joe became a trailblazer in education of the blind graduating cum laude from Syracuse University With an upbeat love for his work he became a leader in the field of audio and recording He was awakened in mid life by how God had and continues to guide him throughout his life Perseverance enriched by his personal faith enabled him to meet obstacles and move beyond where many would give up Always ready to entertain others with his musicianship and also wit Joe endears himself to those privileged to know him And this delightfully told memoir gives us a new understanding of what it s like to live day by day blind in a sighted world And Joe says I never felt I needed sight The memoir of Joe Giovanelli is a beautifully crafted story and one of the best told memoirs I have seen in my over 40 years in publishing It pulls you the reader in just as if you were sitting chatting with Joe getting to know well the evolving personality and inspiring life story of this remarkable man Stephen
