Lansdowne's Finest Daniel Lites, 2021-10-08 Born and raised in the treacherous streets of Lansdowne Pennsylvania Frost didn't have a chance to choose the streets They chose him Frost had been a small time jack boy while his right hand man Homi chose music Homi always tried to get Frost to make music with him but Frost only knew how to take money with the power of a gun That changed when they stole a car for a robbery and discovered a truck full of drugs Once Frost and Homi started trapping they started playing the clubs which was their downfall They crossed paths with a pimp in Atlantic City that wants parts of their drug enterprise but before they could sit down and talk business they find themselves at war with each other Frost finds himself falling deeper and deeper in the streets as he fights to stay alive and as his life changes for the worse However when Homi signs a record deal Frost decides to leave the streets alone only after he busts this one last trap thinking Homi's record deal happened for the best but did it Lansdowne's Finest is full of twist and turns as the snakes come to the surface and enemies realize they have a deeper connection Lansdowne's Finest is full of sex drugs and death as the author twenty two year old Daniel Lites tells a gangsta story in a different unique way It's called being realistic Welcome to Landowne's Finest The Mirror of Literature, Amusement, and Instruction Anonymous, 1839 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant FKA USA Reed King, 2019-06-18 Mr King looks at all our upcoming problems and imagines a local reaction to each one The result is often funny usually sardonic and always imaginative what with all the mole rats flesh drones dimeheads and especially The Grifter's Guide to the Territories FKA USA a notable addition to the line of imaginary authorities The Wall Street Journal Indie Next Pick for July Best of June io9 AV Club Amazing Stories The Verge Reed King's amazingly audacious novel is something of a cross between L Frank Baum's The Wizard of Oz Douglas Adams's A Hitchhiker's Guide to the Galaxy Cormac McCarthy's The Road and Ernest Cline's Ready Player One In Reed King's wildly imaginative and possibly prescient debut the United States has dissolved in the wake of environmental disasters and the catastrophic policies of its final president It is 2085 and Truckee Wallace a factory worker in Crunchtown 407 formerly Little Rock Arkansas before the secessions has no grand ambitions
