## **Let Our Children Go:**

**Let Our Children Go** Rebecca Greenwood, 2011-09-09 Free your children from demonic harassment and teach them to stay free We must not assume that our children are free of threats from darkness The enemy's purpose is to grip and blind every generation establishing strongholds in the lives of our children from a very young age Let Our Children Go is a handbook for parents pastors and leaders to help free children from evil influences and demonic harassment Full of true stories about young people who have been set free it explains the necessity of deliverance ministry for children and discusses many of the issues they face in today's world You will learn how to Determine if an evil spirit is harassing a child Deal with demonic influences and harassment when they occur Train children to identify demonic activity and eliminate it from their lives Darkness is on the rise and it is the role of parents pastors and other believers to do all we can to ensure the blessing protection and freedom of this younger generation so that they can reach their fullest potential [Free-Range Kids, Giving Our Children the Freedom We Had Without Going Nuts with Worry](#) Lenore Skenazy, 2009-04-20 A humorous yet poignant look into how much freedom American parents might be taking away from their children in the name of their safety *I Knew Deep Down* Faru K. Gudina, 2023-04-27 The content ranges through joyful light hearted paeans to Creation loving tributes to her female mentors intense calls to action in the face of evil internal struggles and reflections and defenses affirmations of her strong faith in Christ David Mennicke A Mus D Professor of Music Director of Choral Studies Chapel Cantor Concordia University St Paul I saw Him in times of loneliness right there beside me amidst darkness comforting me with His gentle words words of truth I read in the Bible which held me up and sustained me I know this for sure not by ignorance but because of little thing called faith Faru K Gudina has a deep faith in God that was handed down to her from two generations of believers In a debut collection of poems she addresses a variety of topics that include nature social justice and her unique coming of age journey from girlhood to adolescence and beyond Within her diverse verse she lyrically explores butterflies and bees kisses sparkling and glittery stars evil spirits a merciless past the night Christ was born better tomorrows and much more *I Knew Deep Down* is a volume of moving poetry that shares insight into an Ethiopian girl's coming of age journey as she reflects on her life her faith and the world around her **Ode of a Foreign Stray** Ronald Ross Barnes, 2010-11-29 The seed which ultimately gave birth to *Ode of a Foreign Stray* began to develop when in my mid forties poetry started flowing through my mind night and day From time to time I didn't know where a poem was taking me I enjoyed those occasions most because they generally led to a brief excursion into self discovery It is my hope that readers of *Ode of a Foreign Stray* will have as much enjoyment reading it as I had writing it **The Love Israel Family** Charles Pierce LeWarne, 2015-07-21 Winner of the Malstrom Award of the League of Snohomish County Historical Organizations In 1968 a time of turbulence and countercultural movements a one time television salesman named Paul Erdmann changed his name to Love Israel and started a controversial religious commune in Seattle's middle class Queen Anne Hill neighborhood He quickly

gathered a following and they too adopted the Israel surname along with biblical or virtuous first names such as Honesty Courage and Strength The burgeoning Love Israel Family lived a communal lifestyle centered on meditation and the philosophy that all persons were one and life was eternal They flourished for more than a decade owning houses and operating businesses on the Hill although rumors of drug use control of members and unconventional sexual arrangements dogged them By 1984 perceptions among many followers that some Family members especially Love Israel himself had become more equal than others led to a bitter breakup in which two thirds of the members defected The remaining faithful about a hundred strong resettled on a ranch the Family retained near the town of Arlington Washington north of Seattle There they recouped and adapted with apparent social and economic success for two more decades In The Love Israel Family Charles LeWarne tells the compelling story of this group of idealistic seekers whose quest for a communal life grounded in love service and obedience to a charismatic leader foundered when that leader s power distanced him from his followers LeWarne followed the Family for years attending its celebrations and interviewing the faithful and the disaffected alike He tells the Family s story with both sympathy and balance describing daily life in the urban and later the rural communes and explaining the Family s deeply felt spiritual beliefs The Love Israel Family is an important chapter in the history of communal experiments in the United States

**Free-Range Kids, How to Raise Safe, Self-Reliant Children (Without Going Nuts with Worry)** Lenore Skenazy, 2009-05-26 FREE RANGE KIDS has become a national movement sparked by the incredible response to Lenore Skenazy s piece about allowing her 9 year old ride the subway alone in NYC Parent groups argued about it bloggers blogged spouses became uncivil with each other and the media jumped all over it A lot of parents today Skenazy says see no difference between letting their kids walk to school and letting them walk through a

firing range Any risk is seen as too much risk But if you try to prevent every possible danger or difficult in your child s everyday life that child never gets a chance to grow up We parents have to realize that the greatest risk of all just might be trying to raise a child who never encounters choice or independence *Fighting for the Soul of Your Child* Jimmy Evans, Karen Evans, Julie Evans Albracht, 2023-09-26 You can raise godly kids in an ungodly world As a parent you want your child to be happy and successful You might focus on their clothes curfews and crushes But do you know that there is something more important to fight for your child s soul God gave you this child and He will equip you to raise them Don t let fear shame or anxiety make you feel inadequate for the task With practical how to wisdom Jimmy and Karen Evans join their daughter Julie Evans Albracht to explore what every parent needs to know about Finding your true purpose as a parent Setting the right priorities Protecting your family from outside pressures Allowing God s Word to determine your agenda Facing battlefields with confidence Your child is a gift and fighting for their soul is a worthy battle Nightmare in Hostage Hills Christina Mask, 2017-11-20 Sadly Christina s journey and her children s experience of being collateral damage is not atypical Kudos for her strength and bravery in putting her story out there as a cautionary tale for others Dr Susan Weitzman author Not to People like Us Hidden Abuse in Upscale Marriages Christina Mask s Nightmare is constructed around fragments from a life in agony as one woman attempts to escape abuse retain her sanity and regain the custody of three children the family court and her husband have taken from her It s all here the daily records over months then years the diary entries the self blame the excuses the shame the absurdist dialogues with family therapists marginalia from readings or lectures or religious texts letters pleadings with judges and lawyers and evaluators poems letters to and from the children real and imagined the reports that put her claims of abuse in quotations and so so much more These pieces are loosely joined by a narrative and an interior monologue that I sometimes found too much to bear But then I realized I was scanning something akin to a Picasso painting whose underlying truth lay not in what was on the page not the fragments but in the hope that put them out here no more evident than in the endlessly reasonable letters Mask writes to intractable foes Mask has cast her eye on what Yeats termed the broken crumbling battlement of the self and lived to write it As one director famously said about the sixty women and children crowded into her six bedroom shelter If they can manage this they can manage anything Christina s book gives us faith that she is right Evan Stark PhD MSW The writer is professor emeritus at Rutgers University and author of Coercive Control How Men Entrap Women in Personal Life Oxford 2007 *Wounded Women of the Bible* Dena Dyer, Tina Samples, 2013-09-13 Imploding relationships incapacitating losses injurious personal mistakes or spiritual failures whatever the issue the wounds are the same Whether it s a lapse in judgment by Bathsheba or the moral failure of the women s ministry leader in your local church the spiritual insensitivity of Martha or the compulsive obsessions of your church s care circle chairwoman the terror of an abandoned single mother like Hagar or the struggling single mother in your prayer group the time and circumstances are different but the wounds are equally deep and spiritually

devastating Dena Dyer and Tina Samples get it They have their own stories of pain before healing along with similar experiences of their families and friends Offering more than pat affirmations or vicarious shoulders to cry on Dena and Tina delve deep into the shared emotions and injuries that women of all ages have in common and move readers toward the recovery and healing that only God can provide No matter what hurts you ve experienced Wounded Women of the Bible proves that God understands and that healing is not only His intention but His delight This is a book not to be missed No Land! *Don't Miss the Blessing* Jo Ann Paris Leavell,2010-10-25 Recalling the rich experiences from her marriage to Dr Landrum P Leavell II past president emeritus of New Orleans Baptist Theological Seminary Jo Ann Paris Leavell provides a guide for Christian women particularly ministers wives She discusses such topics as family and finances while emphasizing the importance of communication and daily worship With optimism apparent on each page Leavell encourages women to use their God given gifts to shape a positive self image and achieve their goals of spiritual growth Ripple Effects Pam Tebow,2022-07 Discover the God inspired difference only you can make in the world using the key you never knew you had Tim Tebow credits his mom with being the key to his success but Pam never expected that she would be known on a national stage For most of her life she was serving quietly and faithfully as a wife and a mom choosing life for her child in the face of medical risks answering the Lord s call to mission work in the Philippines and homeschooling before anyone knew what the word meant But all along the way her experiences and her consistent everyday choices to follow the Lord and to serve wherever He placed her were creating unexpected ripples of influence throughout her family her community and her world And they would end up extending far beyond anything she ever imagined Pam believes that every one of us can be influential

and that deep within a woman's heart is the desire to use her influence for good In *Ripple Effects* Pam uncovers and explores the miraculous motivating power of influence we can have on this generation and the next no matter where we are planted in life Whether we are in the midst of endless diaper changes climbing up the corporate ladder or simply doing our best to live love and serve well each day Pam will encourage us to maximize our God given opportunities for influence and watch how far the ripples will spread
