## Let Us Get Together:

*Say No to the Devil* Ian Zack, 2015-04-10 Finally the biography that Rev Davis deserves Ian Zack takes Blind Gary out of the footnotes and into the footlights of the history of American music Steve Katz cofounder of Blood Sweat Tears Bob Dylan called Gary Davis one of the wizards of modern music Bob Weir of the Grateful Dead who took lessons with Davis claimed his musical ability transcended any common notion of a bluesman And the folklorist Alan Lomax called him one of the really great geniuses of American instrumental music But you won't find Davis alongside blues legends Robert Johnson and Muddy Waters in the Rock and Roll Hall of Fame The first biography of Davis *Say No to the Devil* restores the Rev's remarkable story Drawing on extensive research and interviews with many of Davis's former students Ian Zack takes readers through Davis's difficult beginning as the blind son of sharecroppers in the Jim Crow South to his decision to become an ordained Baptist minister and his move to New York in the early 1940s where he scraped out a living singing and preaching on street corners and in storefront churches in Harlem There he gained entry into a circle of musicians that included among many others Lead Belly Woody Guthrie and Dave Van Ronk But in spite of his tremendous musical achievements Davis never gained broad recognition from an American public that wasn't sure what to make of his trademark blend of gospel ragtime street preaching and the blues His personal life was also fraught troubled by struggles with alcohol women and deteriorating health Zack chronicles this remarkable figure in American music helping us to understand how he taught and influenced a generation of musicians
