Lethal Elegance Joe Earle, Museum of Fine Arts, Boston, 2004 Essay by Joe Earle **Unfructuous** Taryn Jameson, Gabriella Bradley, 2019-11-29 Gilina had everything she could have ever wanted in life A good job a husband a new home The only thing missing was the joy of a child Until Thanksgiving took a dreadful turn leaving her shattered in ways she had never dreamed possible The path to salvation is a treacherous one and sometimes the heart and soul must be fractured to understand that true love is a precious gift But will Gilina allow the pain of her past destroy the hope for the future

Song of the Depths Bonnie L. Price, 2020-09-21 To the Creshe Empire I m just a number I ve spent the past five years in isolation and under study With my home razed by a Sylldrari attack my mind damaged and nothing but white walls and a viewing window around me I dedicated myself to two things training my body and reading any book they allowed me to have The Empire wants me to serve to use the inhuman power the Incident stirred within me Technically they asked but it wasn t much of a choice It never is Serve or I refused to be a mindless slave My life was taken from me once Never again With the Empire moving forward with their xenophobic plans they needed someone capable of killing Sylldrari and I was just that A tool they could use a tool they thought they could manipulate Needing me was their first mistake They gave me leverage I named my terms Now after five years my life can begin Song of the Depths is a slow burn whychoose romantic science fantasy series with reverse harem elements It contains strong language violence difficult situations and will contain love scenes including LGBTQ pairings **Art of the Samurai** 日本刀, Metropolitan Museum of Art (New York, N.Y.), 2009 This extensively illustrated catalogue is published in conjunction with the first comprehensive exhibition devoted to the arts of the samurai including the finest examples of swords the spirit of the samurai as well as sword mountings and fittings armor and helmets saddles textiles and paintings The works in the catalogue drawn from public and private collections in Japan include 34 officially designated National Treasures and 64 Important Cultural Properties the largest number ever to be shown together at one time Dating from the 5th to the early 20th century these majestic objects offer a complete picture of samurai culture and its unique blend of the martial and the refined Many of the greatest Japanese swordsmiths are represented in this volume from early masters such as Yasuie 12th century and Tomomitsu 14th century to the Edo period smiths Nagasone Kotetsu and Kiyomaro The blades by these and other masters cherished as much for their beauty as for their cutting efficiency were equipped with elaborate hilts and scabbards prized for their exquisite craftsmanship and fine materials such as silk rayskin gold lacquer and certain alloys unique to Japan Japanese armor is also fully surveyed from the rarest iron armor of the Kofun period 5th century to the inventive ceremonial helmets made toward the end of the age of the samurai Book Jacket Dorian Will Self, 2007-12-01 Will Self s DORIAN is a shameless imitation of Oscar Wilde s The Picture of Dorian Gray that reimagines the novel in the milieu of London s early 80s art scene which for liberated homosexuals were a golden era of sex drugs and decadence before the AIDS epidemic struck later in the decade It is an age in which appearances

matter more and more and more Only the shallowest of people won't judge by them Young Dorian Gray just out of school is a trust-funded impressionable Adonis-like blonde with none of the cynicism of the characters who end up corrupting his innocence even as they love him for it He arrives in London to help socialite and philanthropist Phyllis Hawtree with her project of running a shelter for young drug addicts He knows he is strikingly beautiful that he could be a male model but he tries not to get too caught up in the looks thing Basil Hallward an artist friend of Phyllis's son Henry Wotton meets Dorian and immediately falls for him asking him to pose for a video installation called Cathode Narcissus wherein Dorian is surrounded by nine television monitors which project images of himself looking into a mirror In the book's final pages we discover that Dorian is so taken by the images that he makes a wish that they will age while he remains eternally young And indeed Dorian soon swears he sees some faint traces of aging in the images Meanwhile Dorian is so impressed with the witty sophisticated banter between Baz and Wotton that he immediately wants to be part of their world he is described as a social chameleon easily slipping into the characteristics and fashions and mannerisms of those around him Dorian then breaks up with his college girlfriend and takes up with Baz's friend Wotton a rich intelligent but affectless homosexual boozier and cokehead and careless Jaguar driver who has a loveless marriage of convenience with the socialite Lady Victoria a somewhat batty woman who is fine to live in denial of her husband's sexuality so long as their marriage keeps bringing in a flood of party invitations Jealous of Baz's affections for Dorian and eager to see Dorian thoroughly pleasure this jaded century via his unparalleled looks and money he takes Dorian under his wing and Dorian soon grows to prefer the wild devil may care Wotton over the earnest somewhat pretentious Baz Baz Hallward the wayward acolyte seething with energy and bumptiousness while the younger man Wotton played the part of his mentor consumed with cool eaten up with indifference Dorian knew his own limitation he had money but no real style His upbringing had been here and there on the fringes of film sets in foreign hotels It had given him polish but no shine He lacked the deep lustre of someone like Wotton But in truth Wotton is no better himself Henry Wotton was subject to saying to anyone who would listen that the chameleon is the most significant of modern types And while outer appearance would seem to belie this the truth was that beneath the Planet of Wotton was a realm of complete flux The characters to which Wotton introduces Dorian are no better drug addicts who revere Dorian only for his looks and money As Dorian gets caught up in this world he becomes every bit as superficial as these people Dorian had begun to display talents in the only two areas of life that are worth considering he was becoming a seducer par excellence and he was transforming himself into an artificer of distinction a person who is capable of employing all of the objective world to gain his own end He eventually falls for a junkie named Herman largely for his beautiful black skin To celebrate the debut of Cathode Narcissus Dorian invites Herman over for an orgy with Wotton Baz and the others although not as jaded as Dorian has become and apparently not a homosexual Herman's craving for drugs is such that he agrees and at the party he shares a needle with the other attendees and unwittingly infects them with AIDS After the party

perhaps because he is ashamed of what he has sunk to he kills himself in the street PART TWO TRANSMISSION Ten years have passed and Henry Wotton now lies in a hospital bed on the AIDS ward He knows he is dying as is his friend Baz who visits him now for the first time in years but unlike Baz Wotton has continued to live the life that brought him down bribing the hospital employees to let his dealer visit him His wife is in absolute denial calling Wotton s infection a bug Baz becomes angry that Wotton is not taking care of himself having been clean for five years Baz has recovered his soul He tells Wotton about his move to New York City in the early eighties when Manhattan was at the very peak of a great mountain of depravity His drug habit drove him to poverty and homelessness and he eventually ended up an errand boy for three transvestite cabaret acts who housed him in their squaliiiiid apartment Dorian found him here and saved him by cleaning him up and taking him shopping so that Baz might introduce him to some of his downtown connections Warhol Mapplethorpe Burroughs etc This doesn t really happen but Dorian does manage to put himself at the center of every season ever popular for his looks fake refinement and money His social promiscuity and his sexual promiscuity have had the same bewildering effect that of making him incomprehensible unknowable Is he gay or straight Is he nob or yob And incidentally how old is he exactly Dorian discovers gay nightlife sleeping with hundreds maybe thousands of men and in one brutal instance he later recalls with glee beating a man to death as he sodomizes him in the basement of the Mineshaft nightclub Eventually however when the AIDS scare begins Dorian popularity lessens when many suspect that he is knowingly transmitting the disease When Wotton returns from the AIDS ward a dinner party is thrown and Dorian shows up unexpectedly Wotton and Baz are shocked to see that he looks exactly as he did ten years ago he hasn t aged a bit and apparently doesn t have AIDS During the party Baz tells Dorian that he would like to photograph Cathode Narcissus for an upcoming retrospective and Dorian invites Baz back to his mews home to see it There Dorian offers Baz oral sex and his first hit in five years He tells Baz of the wish he made when he first saw Cathode Narcissus and reveals that ever since then the images have indeed been aging while he stays young When Baz refuses to believe it Dorian reveals the monitors and sure enough they play horrifying images of an AIDS stricken Dorian concentration camp victims forced to dance by some insane Nazi doctor When Baz refuses to copy the tapes for Dorian so that he can continue to preserve his youth Dorian brutally stabs Baz several times killing him without compunction Baz joined the wraithlike Dorians who had stepped down from their monitors to meet him and in the null space in the middle of the null room the ten of them linked hands formed a ring and commenced a stately dance EPILOGUE As it turns out everything up until this point is the text of a novel written by Henry Wotton who is now dead of AIDS and has left the book for Dorian and Victoria Dorian is hurt and indignant about the way he is portrayed he insists that he never killed anyone he is not a shallow narcissus but rather someone who genuinely cares about the good of others he is not a free loading model but has worked hard as the publisher of a fashion design magazine He brushes the book off but as he tries to go on with his work of preserving the now famous work of Baz the cynical narrative voice of Henry Wotton s book keeps

intruding into his thoughts until finally as Dorian visits the scene of his friend Princess Di's fatal crash Wotton reappears and cuts his throat
