DellaCava, Madeline H. Engel, 2002 This volume is a comprehensive collection of critical essays on *The Taming of the Shrew* and includes extensive discussions of the play's various printed versions and its theatrical productions Aspinall has included only those essays that offer the most influential and controversial arguments surrounding the play The issues discussed include gender authority female autonomy and unruliness courtship and marriage language and speech and performance and theatricality Kansas Troubles Earlene Fowler, 1997-03-01 After a whirlwind marriage to San Celina Police Chief Gabe Ortiz Benni Harper is excited to visit her Kansas hometown At a rowdy backyard barbecue she meets Tyler Brown an aspiring country singer with a promising future and a fascinating past Once Tyler had lived the simple Amish life Now she's determined to make it on her own selling her exquisite handmade quilts But Tyler's gifts and her life are cut short when she's murdered Out of his jurisdiction Gabe is frustrated to sit on the sidelines while his friends are investigated by his own sleuthing wife And Benni realizes that her hasty marriage will be much like Kansas weather unpredictable and bound to be stormy **Crime Fiction and Film in the Southwest** Steve Glassman, Maurice J. O'Sullivan, 2001 When Joe Leaphorn and Jim Chee Tony Hillerman's oddly matched tribal police officers patrol the mesas and canyons of their Navajo reservation they join a rich tradition of Southwestern detectives In *Crime Fiction and Film in the Southwest* a group of literary critics tracks the mystery and crime novel from the Painted Desert to Death Valley and Salt Lake City In addition the book includes the

**Investigating Identities** Questions of Identity in Contemporary International Crime Fiction is one of the relatively few books to date which adopts a comparative approach to the study of the genre This collection of twenty essays by international scholars examining crime fiction production from over a dozen countries confirms that a comparative approach can both shed light on processes of adaptation and appropriation of the genre within specific national regional or local contexts and also uncover similarities between the works of authors from very different areas Contributors explore discourse concerning national and historical memory language race ethnicity culture and gender and examine how identity is affirmed and challenged in the crime genre today They reveal a growing tendency towards hybridization and postmodern experimentation and increasing engagement with philosophical enquiry into the epistemological dimensions of investigation Throughout the notion of stable identities is subject to scrutiny While each essay in itself is a valuable addition to existing criticism on the genre all the chapters mutually inform and complement each other in fascinating and often unexpected ways This volume makes an important contribution to the growing field of crime fiction studies and to ongoing debates on questions of identity It will therefore be of special interest to students and scholars of the crime genre identity studies and comparative literature It will also appeal to all who enjoy reading contemporary crime fiction **Promise the Infinite** Robert Richart, 2016-05-07

**Mystery Women, Volume Three (Revised)** Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may

choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008

**Swinburne's The Statue of John Brute** Fabio Ciambella, 2018-04-18 Wrongly believed to be a parodic divertissement by the nineteenth century English poet Algernon Charles Swinburne *The Statue of John Brute* reveals itself as a highly interesting intertextual universe where echoes from Shakespeare the Restoration drama Beckford Gothic fiction and many other sources of inspiration mix together in an extremely short but explosive text At the heart of this volume is an absolutely original analysis of this relatively unknown text meant to acknowledge its paramount importance as Oscar Wilde's source for his well known *The Picture of Dorian Gray* While trying to confute the hypotheses put forward by critics from the 1920s and 1930s who believed *The Statue* to be a fin de siècle parody of Wilde's Aesthetic masterpiece this study anticipates its date of composition by almost twenty years through an accurate bio literary and corpus stylistic analysis thus recognising it not as a parody but as a possible hypotext of *Dorian Gray*

*Deadly Nightshade* Mary Freeman, 1999 While investigating the murder of a city councilman landscaper Rachel O Connor unearths some disturbing suspects and the tension threatens to tear her town and her family apart

**The Magic Statue** Roger George Clark, 2004-02 What do you do when your garden statue comes alive and goes on the rampage That's the challenge facing two teenagers Scott and Brandon when they're left alone in an island cottage during their half term holiday Scott Buchanan is English Brandon Donnelly American They're best friends But their friendship is tested to the limit and their holiday plans thrown into chaos when a magic statue bursts into their lives The statue who's called Alexander comes from Ancient Greece Alexander finds it difficult to adjust to the modern world Everywhere he goes he brings bad luck What should have been a fun holiday turns into a nightmare and a battle for survival as Alexander blunders and stirs up trouble To make matters worse Scott and Brandon find themselves fighting a gang of school bullies They also have to complete a holiday task set by their history teacher or they're in trouble And all the time Scott's guardian Uncle Henry who's away on business keeps phoning and nagging them to get on with their homework How can the teenagers cope with the pressure and solve all their problems

Carsten Strathausen,2020-05-01 Examining the relationship between German poetry philosophy and visual media around 1900 Carsten Strathausen argues that the poetic works of Rainer Maria Rilke Hugo von Hofmannsthal and Stefan George focused on the visible gestalt of language as a means of competing aesthetically with the increasing popularity and reality effect of photography and film Poetry around 1900 self reflectively celebrated its own words as both transparent signs and material objects Strathausen says In Aestheticism this means that language harbors the potential to literally present the things it signifies Rather than simply describing or picturing the physical experience of looking as critics have commonly maintained modernist poetry claims to enable a more profound kind of perception that grants intuitive insights into the very texture of the natural world      *THE TICKING LANCES* SONIA SHARMA ,2021-06-08 Kevin a bartender in a cafe is deeply smitten with his co worker Jennie Before they draw something effectual out of the mute consents on both sides their budding love witnesses unexpected cut and thrust With the sudden showing up of that mysterious blue lady lot many uncertainties creep into the smooth sailing lives of both Who is she What does she want Despite Jennie s repetitive warnings Kevin follows the blue lady in the endless ocean where the death is the only awaiting destination for an onlooker Why Kevin overlooks his beloved s concern What is going on in his head Where is he being led to HAPPY READING
