Letoile Flamboyante:

The Rose Cross and the Age of Reason Christopher McIntosh, 2012-01-02 This new edition of Christopher McIntosh's classic book on the Golden and Rosy Cross order is eagerly awaited. The order stands out as one of the most fascinating and influential of the high degree masonic and illuminist groups that mushroomed in Europe from the 18th century onward. Active mainly in the German speaking lands it recast the original Rosicrucian vision and gave it renewed vitality. At one point it became politically influential when the Prussian King Frederick William II was a member of the order. Historians have often perceived the Golden and Rosy Cross as having had a conservative anti Enlightenment agenda but this study drawing on rare German sources shows that the matter was more complex. The members of the order practiced alchemy and operated a degree system that was later imitated by later orders such as the Golden Dawn. Like the latter the Golden and Rosy Cross exerted a wide and enduring cultural influence. Both the alchemy of the order and its powerful ritual system are insightfully described in Christopher McIntosh's clear and compelling style.

The Kabalistic and Occult Philosophy of Eliphas Levi - Volume 1: Letters to Students Eliphas Levi, Daath Gnosis, 2015-04-25 This Volume is a compilation of 196 letters from Eliphas Levi to three different students: 1 letter to Mme Hutchinson, 10 letters to Mr Montaut also known as The Elements of the Kabbalah, 185 letters to the Baron Spedalieri. These letters cover a variety of subjects and are presented in a Bilingual format: English side by side with the original French with copious footnotes and illustrations to help the student grasp the subject matter. Although many of these letters have been published in English before this is a new translation of them all. This collection is a wonderful way to see into the heart of the Author and contain insights into his Transcendental Philosophy. The effect which I await for you from my epistolary lessons will be the understanding of my books which contain the whole doctrine but in an abridged and succinct form.

L'invisible dans la Franc-maçonnerie Charles Webster Leadbeater, 2022-08-23 La Franc-maçonnerie est la seule société où les candidats doivent être admis les yeux bandés avant d'entrer dans ses rangs. Ce qu'ils peuvent apprendre sur son sujet est peu de choses.
