Lets Be Friend - A Curious, Calm Cow Dr. Sahadeva Das, 2018-01-01 As the title suggests this book deals with the subject of cows Normally we see cows as docile dumb creatures grazing nonchalantly in some far distance But there is a whole lot more going on in their lives Numerous stories from around the World are presented herein to substantiate this point Where does all the war racism terrorism violence and cruelty that's so endemic to human civilization come from Why do humans exploit and massacre each other so regularly Why is our species so violence prone To answer these questions we would do well to think about our exploitation and slaughter of animals and its effect on human civilization
