Many people on Earth look forward to their eventual time in Heaven They speak of Heaven as a lofty perfect place where they will be surrounded by love and humanity turned divine However these same people seem to shrink from human contact while on Earth They miss the opportunity to connect with their brethren looking to the sky as they walk the ground Poet Al Hall looks forward to Heaven but through his inspired words he hopes to reveal the interconnectedness of human life on this planet and how best to utilize our limited time here He encourages us to cherish togetherness during this short period of time on Earth before taking off on the road to Heaven It s time to slow down and take a look around preparing for Heaven but not living there already True nothing on Earth is perfect Politicians make vocal blunders Humans get irritated and angry at each other over nothing more than miscommunication or perhaps a wrong note in church choir It s time we stopped pulling each other down and lifted each other heavenward instead Enjoy worship laughter celebration and falling in love Heaven will one day be home but for now Hall encourages us to live imperfectly but with joy and forgiveness *She Was Deceived* Felisa Hubbard,2025-02-28

As a little girl growing up in the city of New Orleans I felt as if the absence of my father s guidance thrust me into the arms of a cruel and unfamiliar world I was deceived incredibly early in life and became overtaken by drugs and alcohol After God delivered me from substance abuse I thought to myself I am now on my way to living a crisp clean and finer life I repented of my sins and became a sincere church member I lived in the safety zone of the church house so I thought As time went on I became complacent with my new outlook on life Not long thereafter deception showed up and showed me who the Boss was Being complacent hindered me from recognizing how I was born with the very nature of Eve therefore being born again was crucial for the saving of my soul I was not only deceived by others but I also deceived myself Having a fervent desire to become a wife I deceived myself by trying to do the right thing with the wrong man I ignored all the red flags waving in my face I thought to myself once I get married things will change Lies I made such a mess of my life and suffered because I wanted what I wanted Eventually I was able to better understand how I was in dire need of a savior and not just a church home Thanks to my savior Jesus I went from deception to redemption
