democracy in Eastern Europe In this book Andrew Beattie also reflects on the modern city where bold new buildings such as Frank Gehry's Dancing House rub shoulders with monuments from the Gothic and Baroque eras such as the Charles Bridge and St Vitus Cathedral He considers the suburbs too home to world renowned soccer and ice hockey teams gleaming shopping centers and grim communist era apartment blocks that are often home to Vietnamese Romany and Muslim minority groups who live in a city with a growing international outlook The Prague he reveals is an increasingly confident and diverse city of the new Europe
