Borderlands in East and Southeast Asia Yuk Wah Chan,Brantly Womack,2019-05-17 This book provides a glimpse into the different emergent borderland prototypes in East and Southeast Asia with illustrative cases and discussions Asia has contained a number of reactivated border zones since the end of the Cold War borders which have witnessed ever greater human activity concerning trade commerce tourism and other forms of money related activities such as shopping gambling and job seeking Through seven borderland cases the contributors to this volume analyse how the changing political economy and the regional and international politics of Asia have shaped and reshaped borderland relations and produced a few essential prototypes of borderland in Asia such as reopened borders and

re activated economic zones reintegrated but separated border cities porous borderlands and abstruse borderlands This book aims to bring about further discussions of borderland development and governance and how these actually inform and shape state state and state city relations across borders and regional politics This book was originally published as a special issue of Asian Anthropology

A Chinese Beggars' Den David C. Schak, 2010-11-23 In this fascinating study of a community of Chinese beggars David Schak offers evidence that challenges widely held theories on poverty It is a path breaking systematic anthropological study that challenges long held beliefs about poverty and is one of the few works on beggars available Over a period of seven years Schak's fieldwork uncovers a structure of leadership organizational methods and alms getting tactics Moreover certain members became upwardly mobile and able to leave this lifestyle The severe stigma of gambling adultery and failure to marry proved the stimulus for a younger generation to leave begging behind *Bowker's Complete Video Directory*, 2000
