Phillips,2014-04-02 This book is about questions and about statements made in the Bible I found myself having many questions after reading from a King James Holy Bible that was revised by the Division of Christian Education of the National Council of the Churches of Christ in the United States of America The New Testament was also done by the same division of the churches of Christ The Message of the Old Testament (Foreword by Graeme Goldsworthy) Mark Dever,2006-04-10

The Old Testament is the story of God's promises to his people Below its somewhat obscure surface is hidden magnificent truth about the love and power of God Throughout its pages the reader can find promise after promise from God all of which are fulfilled in the New Testament in the incarnation of Jesus Christ Author Mark Dever introduces readers to the Old Testament as a glorious whole so that they are able to see the big picture of the majesty of God and the wonder of his promises

A Simple Overview of Covenant Theology C. Matthew McMahon,2005-09-15 Covenant Theology systematizes the biblical information concerning the manner in which God saves sinners through Jesus Christ It places the Bible into a covenantal framework that makes biblical sense The Bible speaks of salvation in terms of covenant God is a covenant God who saves His people through covenants The three main theological covenants of the Bible are the Covenant of Redemption the Covenant of Works and the Covenant of Grace These are theological terms that are packed with biblical information dealing with the way God saves sinners When someone asks How does God save people the answer lies within the framework of Covenant Theology So it is the intention of this work to unpack those terms and make the information in them accessible to the reader in a clear accurate and biblically helpful manner that serves as an introduction to these theologically rich ideas After this simple overview his newly published work Covenant Theology Made Easy is the next book to read
