marvels that await us in Our Motor World If you like this book write a review      **Finding Hope in This World of Turmoil** Trevor Bartley,2016-09-24 The resurrection message is the most important part of our belief system Without the truth of the resurrection message our faith is just another religion with no real substance The Resurrection sets Christianity apart This book is dedicated to establishing this truth The extent of the work of Christs resurrection is staggering However if there is one topic that is the central message of the Bible it is the sacrifice of Christ The Old Testament looks forward to it whereas the New Testament looks back at it We must be extremely careful not to allow these two ordinances to become routine in our Christian life communion and baptism and thereby reduce the significance of what Jesus did for us at his sacrifice and resurrection The greatest gift that anyone can be given is eternal life and the one that made that possible is Jesus In Christ we have victory provided we see ourselves dead to sin and raised together with him Even so consider yourselves also dead to sin and your relation to it broken but alive to God living in unbroken fellowship with Him in Christ Jesus Romans 6 11 AMP I have been crucified with Christ in Him I have shared His crucifixion it is no longer I who live but Christ the Messiah lives in me and the life I now live in the body I live by faith in by adherence to and reliance on and complete trust in the Son of God Who loved me and gave Himself up for me Therefore I do not treat Gods gracious gift as something of minor importance and defeat its very purpose I do not set aside and invalidate and frustrate and nullify the grace unmerited favor of God For if justification righteousness acquittal from guilt comes through observing the ritual of the Law then Christ the Messiah died groundlessly and to no purpose and in vain His death was then wholly superfluous Galatians 2 20 AMP We need to remember that the story doesnt end with Jesuss death He is currently in heaven in his resurrected body and one day he will return The resurrection of Jesus was an act of the supreme love of God Remember our identification is in who we are in Christ and his resurrection The Bible tells us in John 14 12 that the things Christ has done we can do and greater than these we will do because he goes to the Father The resurrection demonstrated Jesuss victory over the power of death and confirms there is life beyond the grave Jesus Christ offers us a resurrection power beyond ourselves that can make us alive it empowers us to overcome the limitations of this realm with an infused ability as we focus on the Spirit of power working within us I hope you receive much insight and revelation as you discover the wholeness of what Jesus achieved for you and me      **Crossing Over 5 Tm' 2002 Ed. ,      Let Us Be Ready Before It Is Too Late to Say Goodbye** Merle Baro,2014-10-28 This book reflects that a persons mind can change through the power of the Word of God Therefore our decisions should be based on how we renew our minds and change the way we think for God looks at the intents of our hearts Jesus Christ has inspired me to write this book so that we can understand the mystery of Gods Word and have a close relationship with the Holy Spirit God our Father Jesus Christ      **Discovering Joy in Philippians** Pam Farrel,Jean E.
