Point H. Irving Hancock,2006-05-22 How do you feel Dick As spruce as you did an hour ago Candidate Greg Holmes put the question with a half nervous laugh He spoke in a whisper too as if to keep his agitation from reaching the notice of any of the score or more of other young men in the room of Mr Ward the aged notary at West Point I ll be glad when I see some daylight through the proceedings Dick Prescott whispered in answer I m glad they allow us to talk here in undertones pursued Greg If we weren t allowed to do so some of us would go suddenly crazy utter a whoop and spring through one of the windows grinned Dick *The First Classman: West Point Tour of Duty* Tawdra Kandle,2023-02-21 Willow I only knew his first name

The night we met we were only having fun It wasn t serious It was one last fling before real life took over I knew I wasn t ever going to see him again But I was wrong Dean I didn t ask for her last name She was a spontaneous night of fun right before I went back to West Point and football We were only together for a good time I knew we couldn t have anything real beyond that one night But I was wrong And when we meet again in the most unexpected way I find out that one night of fun could cost me my career all my goals It could mean the end of her dreams too And it all started on one fateful night Keywords Friends to lovers secret baby slow burn surprise baby one night stand steamy military happily ever after love books love stories romantic novels secret baby romance sexually romantic books contemporary romance contemporary military romance guaranteed HEA new beginnings no cliffhangers *A West Point Treasure* Upton Sinclair,2022-01-29 Excerpt Dear Mark Whenever I sit down to write to you it seems to me I can think of nothing to say but to marvel at the extraordinary rumpus you have kicked up at West Point Every time I hear from there you are doing still more incredibly impossible acts until I expect to hear next that you have been made superintendent or something However in this letter I really have something else to tell you about but I shall put it off to the last and keep you in suspense Well I hear that not satisfied with defying the yearlings to haze you and actually keeping them from doing it which is something no plebe has ever dared to dream of before you have gone on to still further recklessness They say that you have gotten half a dozen other plebes to back you up and that

to cap the climax you actually dared to go to one of the hops Well I do not know what to say to that it simply takes my breath away I should like to have been there to see him doing it They say that Grace Fuller the girl you saved from drowning got all the girls to promise to dance with you and that the end of the whole business was the yearlings stopped the music and the hop and left in disgust I fairly gasp when I picture that scene I hesitate to give an original person like you advice You never heeded what I gave you anyway but went right ahead in your own contrariness to do what you pleased I guess you were right But I want to warn you a little By your unheard of daring in going to that hop you have incurred the enmity of not only the yearlings whom you have beaten at every turn but also of the powerful first class as well And they will never stop until they subdue you I don't know what they'll try but it will be something desperate and you must stand the consequences You'll probably have to take turns fighting every man in the class When I come back I expect to find you buried six feet deep in court plaster
