#### Letter From America 1946 To 2004:

Letter from America, 1946-2004 Alistair Cooke, 2007-12-18 For over half a century Alistair Cooke entertained and informed millions of listeners around the world in his weekly BBC radio program Letter from America An outstanding observer of the American scene he became one of the world's best loved broadcasters and a foreigner who helped Americans better understand themselves Here in print for the first time is a collection of Cooke's finest reports that celebrates the inimitable style of this wise and avuncular reporter Beginning with his first letter in 1946 a powerful description of American GIs returning home and ending with his last broadcast in February 2004 in which he expressed his views on the United States presidential campaign the collection captures Cooke's unique voice and gift for telling stories Gathered in this volume are encounters with the many presidents Cooke knew from Roosevelt to Nixon Reagan Clinton and Bush both Senior and Junior His friends are warmly recollected among them Leonard Bernstein Philip Larkin Humphrey Bogart Charlie Chaplin and Katharine Hepburn We observe a variety of political landmarks the Vietnam War Watergate Cooke's remarkable eyewitness account of Robert Kennedy's assassination through to the scandals that surrounded Clinton and the conflict in Iraq His moving evocation of the events of September 11 and its aftermath remains essential reading while his recollections of holidays and sporting events remind us of Cooke's delight in the pleasures of everyday life Imbued with Alistair Cooke's good humor elegance and understanding Letter from America 1946 2004 is a captivating insight into the heart of a nation and a fitting tribute to the man who was for so many the most reassuring voice of our times The Biographical Encyclopedia of American Radio Christopher H. Sterling, Cary O'Dell, 2013-05-13 The Biographical Encyclopedia of American Radio presents the very best biographies of the internationally acclaimed three volume Encyclopedia of Radio in a single volume It includes more than 200 biographical entries on the most important and influential American radio personalities writers producers directors newscasters and network executives With 23 new biographies and updated entries throughout this volume covers key figures from radio s past and present including Glenn Beck Jessie Blayton Fred Friendly Arthur Godfrey Bob Hope Don Imus Rush Limbaugh Ryan Seacrest Laura Schlesinger Red Skelton Nina Totenberg Walter Winchell and many more Scholarly but accessible this encyclopedia provides an unrivaled guide to the voices behind radio for students and general readers alike Letters from America 1946-2004 Alistair Cooke, 2017-06-27 When Alistair Cooke retired in March 2004 and then died a few weeks later he was acclaimed by many as one of the greatest broadcasters of all time His Letters from America which began in 1946 and continued uninterrupted every week until early 2004 kept the world in touch with what was happening in Cooke s wry liberal and humane style This selection made largely by Cooke himself and supplemented by his literary executor gives us the very best of these legendary broadcasts Over half have never appeared in print before It is a remarkable portrait of a continent and a man Alistair Cooke's America Alistair Cooke, 2023-03-15 A new edition of Alistair Cooke's classic work which has sold more than 2 million copies Full of Cooke's signature erudition this is an incisive and illuminating history of the United States Republished to mark the 50th anniversary of the classic BBC series and this title s first publication Giant Don Graham, 2018-04-10 A larger than life narrative of the making of the classic film marking the rise of America as a superpower the ascent of Hollywood celebrity and the flowering of Texas culture as mythology Featuring James Dean Rock Hudson and Elizabeth Taylor Giant is an epic film of fame and materialism based around the discovery of oil at Spindletop and the establishment of the King Ranch of south Texas Isolating his star cast in the wilds of West Texas director George Stevens brought together a volatile mix of egos insecurities sexual proclivities and talent Stevens knew he was overwhelmed with Hudson's promiscuity Taylor's high diva dom and Dean's egotistical eccentricity Yet he coaxed performances out of them that made cinematic history winning Stevens the Academy Award for Best Director and garnering nine other nominations including a nomination for Best Actor for James Dean who died before the film was finished In this compelling and impeccably researched narrative history of the making of the film Don Graham chronicles the stories of Stevens whose trauma in World War II intensified his ambition to make films that would tell the story of America Edna Ferber a considerable literary celebrity who meets her match in the imposing Robert Kleberg proprietor of the vast King Ranch and Glenn McCarthy an American oil tycoon and Errol Flynn lookalike with a taste for Hollywood Drawing on archival sources Graham's Giant is a comprehensive depiction of the film's production showing readers how reality became fiction and fiction became cinema The Thirteen American Arguments Howard Fineman, 2009-03-10 Howard Fineman one of our most trusted political journalists shows that every debate from our nation s founding to the present day is rooted in one of thirteen arguments that thankfully defy resolution It is the very process of never ending argument Fineman explains that defines us inspires us and keeps us free At a time when most public disagreement seems shrill and meaningless Fineman makes a cogent case for nurturing the real American dialogue The Thirteen American Arguments runs the gamut including Who Is a Person The Declaration of Independence says everyone but it took a Civil War the Civil Rights Act and other movements to make that a reality Now what about human embryos and prisoners in Guantanamo The Role of Faith No country is more legally secular yet more avowedly prayerful From Thomas Jefferson to James Dobson the issue persists Where does God fit in government America in the World In Iraq and everywhere else we ask ourselves whether we must change the world in order to survive and honor our values or whether the best way to do both is to deal with the world as it is Whether it s the nomination of judges or the limits of free speech presidential power or public debt the issues that galvanized the Founding Fathers should still inspire our leaders thinkers and fellow citizens If we cease to argue about these things we cease to be Argument is strength not weakness says Fineman As long as we argue there is hope and as long as there is hope we will argue **Joe Louis** Randy Roberts, 2019-06-18 A humbling inspiring deeply emotional biography of the boxing legend who held the heavyweight world championship for more than eleven years Kirkus Reviews starred review Known as the Brown Bomber Joe Louis defended his heavyweight title an astonishing twenty five times Through the 1930s he got more

column inches of newspaper coverage than President Roosevelt At a time when the boxing ring was the only venue where black and white could meet on equal terms Louis embodied Black America's hope for dignity and equality And in 1938 his politically charged defeat of German boxer Max Schmeling made Louis a national hero on the world stage Through meticulous research and first hand interviews acclaimed biographer Randy Roberts presents a complete portrait of Louis and his outsized impact on sport and country Digging beneath the simplistic narratives of heroism and victimization Roberts reveals an athlete who carefully managed his public image and whose relationships with both the black and white communities including his relationships with mobsters were deeply complex Roberts is a fine match with his subject He supports with powerful evidence his contention that Louis s impact was enormous and profound The Boston Globe

Historic Capital Cameron Logan, 2017-12-19 Washington D C has long been known as a frustrating and sometimes confusing city for its residents to call home The monumental core of federal office buildings museums and the National Mall dominates the city's surrounding neighborhoods and urban fabric For much of the postwar era Washingtonians battled to make the city their own fighting the federal government over the basic question of home rule the right of the city s residents to govern their local affairs In Historic Capital urban historian Cameron Logan examines how the historic preservation movement played an integral role in Washingtonians claiming the city as their own Going back to the earliest days of the local historic preservation movement in the 1920s Logan shows how Washington D C s historic buildings and neighborhoods have been a site of contestation between local interests and the expansion of the federal government s footprint He carefully analyzes the long history of fights over the right to name and define historic districts in Georgetown Dupont Circle and Capitol Hill and documents a series of high profile conflicts surrounding the fate of Lafayette Square Rhodes Tavern and Capitol Park SW before discussing D C today Diving deep into the racial fault lines of D C Historic Capital also explores how the historic preservation movement affected poor and African American residents in Anacostia and the U Street and Shaw neighborhoods and changed the social and cultural fabric of the nation's capital Broadening his inquiry to the United States as a whole Logan ultimately makes the provocative and compelling case that historic preservation has had as great an impact on the physical fabric of U S cities as any other private or public sector initiative in the twentieth century Media and the Empire Ruth Teer-Tomaselli, Donal McCracken, 2017-10-02 This volume on print and broadcast media in the 19th and 20th centuries highlights the pivotal role that the media played in the establishment and maintenance of imperial power The media bolstered both the ideological and financial objectives of the empire in a myriad of overt covert and downright scandalous ways From jeopardising the introduction of wireless telegraphy in order to maximise the financial gains of the investors of under sea cabling to newspaper proprietors cashing in on the thrilling wonderful and sometimes fabricated adventures of war correspondents in exotic lands the media has had a constant background influence in the public s perception of empire By covering diverse topics from Anthony Lejeune's radio talk show London Letters which supported the

Allies by boosting morale and providing a link between soldiers fighting abroad and their families during both World Wars to the complete subversion of imperial influence as in the case of the proliferation of diverse media platforms being used by migrant communities in Britain as a means to promote colonization in reverse the book hints at the politics suspense and intrigue of both the print and broadcast sectors This book was originally published as a special issue of Critical Arts

**Chaplin's War Trilogy** Wes D. Gehring,2014-09-17 The book examines Charlie Chaplin's evolving perspective on dark comedy in his three war films Shoulder Arms 1918 The Great Dictator 1940 and Monsieur Verdoux 1947 In the first he uses the genre in a groundbreaking manner but yet for a pro war cause In Dictator dark comedy is applied in an antiwar way In Monsieur Verdoux Chaplin embraces the genre as an individual in defense against a society out to destroy him All three are pivotal films in the development of the genre in film with the latter two movies being very controversial for their time
