

COLLECTED POEMS

BY CONRAD AIKEN

Winner of the National Book Award for Poetry for 1954

'If one thinks or speaks of such a thing as "poetic talent," there is more of that almost indefinable quality in a half dozen pages of Mr. Aiken's book than can be unearthed in whole volumes written by hundreds of his younger contemporaries.'

—HORACE GREGORY, *The New York Times Book Review*

'... he sings like the legendary bard, improvising old tunes as if they were his own by discovery or inheritance, or both. . . . The existence of poets like Aiken makes poetry possible.'

—R. P. BLACKMUR, *The Atlantic Monthly*

'... this collection affords an excellent opportunity to follow the unfolding of a significant poet's ideas and the perfecting of his craftsmanship. . . . Not to know the poetry here at long last gathered is to lack an essential part of a liberal education.'

—GEORGE F. WHICHER, *New York Herald Tribune Book Review*

'It is good to have Aiken available at last in a single comprehensive volume and to be able to turn from stage to stage of his growth without having to chase to the library. What emerges from both the labor and the pleasure of the reading is a style, and the style is the man.'

—JOHN CLARDI, *The Nation*

Letter From Li Po Other Poems:

A Letter from Li Po Conrad Aiken, 1955 *R.K. Majestät Regiment, Cammergericht, Lantfride und Abschied uff dem Reichstag zu Wormbs 1521*, 1521 *Southern Writers* Joseph M. Flora, Amber Vogel, 2006-06-21 This new edition of *Southern Writers* assumes its distinguished predecessor's place as the essential reference on literary artists of the American South. Broadly expanded and thoroughly revised, it boasts 604 entries, nearly double the earlier edition's, written by 264 scholars. For every figure, major and minor, from the venerable and canonical to the fresh and innovative, a biographical sketch and chronological list of published works provide comprehensive, concise, up-to-date information. Here, in one convenient source, are the South's novelists and short story writers, poets and dramatists, memoirists and essayists, journalists, scholars, and biographers from the colonial period to the twenty-first century. What constitutes a southern writer is always a matter for debate. Editors Joseph M. Flora and Amber Vogel have used a generous definition that turns on having a significant connection to the region in either a personal or literary sense. New to this volume are younger writers who have emerged in the quarter century since the dictionary's original publication, as well as older talents previously unknown or unacknowledged. For almost every writer found in the previous edition, a new biography has been commissioned. Drawn from the very best minds on southern literature and covering the full spectrum of its practitioners, *Southern Writers* is an indispensable reference book for anyone intrigued by the subject. *Twentieth Century Fiction* George Woodcock, 1983-04-01 *Encyclopedia of American Poetry: The Twentieth Century* Eric L. Haralson, 2014-01-21 The *Encyclopedia of American Poetry: The Twentieth Century* contains over 400 entries that treat a broad range of individual poets and poems, along with many articles devoted to topics, schools, or periods of American verse in the century. Entries fall into three main categories: poet entries, which provide biographical and cultural contexts for the author's career; entries on individual works, which offer closer explication of the most resonant poems in the 20th-century canon; and topical entries, which offer analyses of a given period of literary production, school, thematically constructed category, or other verse tradition that historically has been in dialogue with the poetry of the United States. **Twentieth Century American Literature** Warren French, 1980-11-01 *The Writer as Shaman* Ted Ray Spivey, 1986 *Conrad Aiken* Edward Butscher, 2010-06-01 The first of a planned two-volume biography, *Conrad Aiken: Poet of White Horse Vale* follows Aiken's early life from his birth in 1889 to 1925, when he stood on the threshold of both nervous breakdown and poetic success. It was then that Aiken began to face his paradoxically idyllic and tragic Savannah childhood and to confront the events of February 27, 1901. On that day, the eleven-year-old Aiken heard gunshots punctuate a nightlong argument between his mother and father. Running into the next room, he discovered his mother murdered and his father dead by suicide. Sounding the deep reverberations of those events in Aiken's mind, Edward Butscher follows the poet's life and work as he sought to regain in some permanent form the idyll he had lost as a child. Butscher tells of Aiken's determined efforts to gain recognition for his verse in the fevered cultural

circuits of the early twentieth century from his friendship begun at Harvard with T S Eliot through frustrating excursions into the literary society of England and repeated trips on the poetic trade route from his home in Boston to Chicago and New York to often sharp encounters with such powerful cultural barons as Ezra Pound Amy Lowell and Harriet Monroe Hoping to build his reputation on a series of detached poetic symphonies to keep depression from boiling over into madness and suicide Aiken skirted the border of his deepest memories and fears a border he would cross in the works that lay ahead Conrad Aiken Reuel Denney,1961 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible to scholars students researchers and general readers Rich with historical and cultural value these works are published unaltered from the original University of Minnesota Press editions The books offered through Minnesota Archive Editions are produced in limited quantities according to customer demand and are available through select distribution partners
