The Dead Letter Finley Martin,2015-10-15 A tale of sex murder and political intrigue on Prince Edward Island an absorbing tale that has excitement and soul in equal measure Publishers Weekly In 2001 a Canadian police constable murders his girlfriend in a fit of jealous rage When he realizes what he s done he manages to construct an elaborate cover up Only one person knows the truth Now more than a decade later Anne Brown is running her late uncle s detective agency after spending several years as his assistant One day the postman delivers a long lost letter addressed to her uncle from a woman named Carolyn Jollimore She says she has evidence about a murder and

begs for help With her uncle dead Anne looks up the letter's author but finds that Jollimore too is now dead and that a old case once thought solved may not be as simple as it seemed This twisting novel of mystery and suspense from a new star in Canadian crime fiction features the private investigator first introduced in *The Reluctant Detective* ***The Dead Letter*** Metta Victoria Fuller Victor, 1866 ***Dead Letter Drop*** Peter James, 2014-01-02 Featuring a special introduction by Peter James *Dead Letter Drop* is Peter James' first ever novel originally published in 1981 Max Flynn undercover agent has the unenviable job of spying on his own side When to kill who to kill whether to kill are all questions which have to be answered at great speed if he wants to stay alive But why does an innocuous airline ticket No 14B matter so much Who has gone to the trouble of committing suicide And could Flynn's beautiful companion be a spy The hazy murky world of counter espionage leaves no room for errors of judgement and Flynn knows he's finished if he makes one false move ***Dead Letter Mail*** Cody Perkins, ***The Dead Letter*** Metta Victoria Fuller Victor, 2020-10-09 Richard is set to join a new law firm owned by his friend's Eleanor's father Inevitably he is dragged into the murder mystery of Eleanor's fiancé Henry With detective Burton in tow Richard must find the clue that is hidden in plain sight as a dead letter in the post office \_x000D\_ Excerpt \_x000D\_ I paused suddenly in my work Over a year's experience in the Dead Letter office had given a mechanical rapidity to my movements in opening noting and classifying the contents of the bundles before me and so far from there being anything exciting to the curiosity or interesting to the mind in the employment it was of the most monotonous character Young ladies whose love letters have gone astray evil men whose plans have been confided in writing to their confederates may feel but little apprehension of the prying eyes of the Department nothing attracts it but objects of material value sentiment is below par it gives attention only to such tangible interests as are represented by bank bills gold pieces checks jewelry miniatures et cetera ***DEAD LETTER*** Martin Hancock, 2017-09-09 Attending a university fancy dress ball should have been a matter of grinning and bearing it Fancy dress isn't everyone's idea of a good time after all For one man however the act of hiring a costume is to have consequences far beyond what any reasonable person could expect What he hires is far more than just a costume It is a mystery A forgotten secret begins to emerge that has lain hidden for more than seventy years What begins as a curious discovery quickly becomes a quest and then the quest becomes an obsession But whose secret is it With almost nothing to go on uncovering the secret is a trial of will that has its own cost What the man discovers brings to light the story of a battle against evil fought in the dust of Southern Rhodesia before the Second World War but it also exposes something else something nobody could have expected ***The Dead Letter Delivery*** C.J. Archer, 2024-03-05 The discovery of long lost mail delivers a marriage proposal a missing person and a magical mystery A road trip with Gabe and her friends leads Sylvia to discover more about her mother's veiled past yet throws up several questions too The stack of unopened letters addressed to her family will hopefully provide answers As she delves into the contents a startling revelation emerges the letters allude to a clandestine union between two magician families hinting at the elusive identity of Sylvia's father Full of hope she

embarks on a quest to find the author of the letters only to discover an artless youth who vanished decades ago a dead man with the wrong name and a hospital for former soldiers that connects them The further Sylvia and Gabe delve into these mysteries the more lies they expose including long buried secrets that certain individuals will stop at nothing to protect When danger strikes Sylvia wonders if finding answers is worth the risk      **Resurrecting a Dead Letter** John

accountable for what they create then so must critics or teachers who have their own stories to tell when they write or discuss stories If the choices are heavy they are also Miller wryly points out happily unpredictable The teacher's first ethical act is the choice of what to teach and Miller chooses his texts boldly As an active reader the kind demanded by deconstruction Miller refashions each story another ethical act an intervention that may have social political and historical consequences He then looks beyond text and critical theory to ask whether writing literature reading it teaching it or writing about it makes anything happen in the real world of material history
