Bucher, Estella Boggs Horning, 2024-04-23 What constitutes a faithful life At its most basic level the New Testament book of Hebrews considers this essential question and pleads with its audience to find in faithful living the rest that Christ offers Hebrews begins with a poetic reflection on the one who lived the most faithful of lives Jesus and concludes with exhortations to go and do likewise In the 37th volume in the Believers Church Bible Commentary series scholars Debra J Bucher and Estella Boggs Horning examine at great length one important aspect of Hebrews Jesus as the new covenant and the once for all better sacrifice who replaces the daily and yearly temple offerings in Jerusalem The authors also consider how this idea has been used to minimize other religious traditions and even to legitimize the horrors of the mid 20th century They carefully unpack the language around sacrifice and covenant based on the saving work of Jesus drawing out encouragement found in Hebrews to live as individuals and as a community led by Jesus the pioneer and high priest Bucher and Horning don't shy away from the difficult language in Hebrews Instead they draw out its historical context and help readers understand how to use the text with love within our own About the Believers Church Bible Commentary series This readable commentary series is for all who seek more fully to understand the original message of Scripture and its meaning for today Sunday school teachers members of Bible study groups students pastors and other seekers From the Series Foreword **Applied New Testament Bible Commentary** Tom Hale, Steve Thorson, 2012-12-10 The wisdom found in God's Word is timeless as relevant today as when it was first written And the challenge for believers remains unchanged how do we apply these truths to our everyday world The Applied Commentary series is a fresh approach to Bible study connecting great wisdom with your life today Each Scripture passage is enhanced with insights on key themes and ideas Featured articles provide a deeper look at essential concepts while the contemporary language allows for easy

Wright,2009-11-01 Traditional discussions of the Christian doctrine of providence often center on the relation between divine agency and human freedom seeking to offer an account of the extent to which a person is free before God the first cause of all things Terry J Wright argues that such riddles of causation cannot determine the content of providence and suggests a unique and alternative framework that depicts God s activity in terms of divine faithfulness to that which God has made Providence is not God as first cause acting through creaturely secondary causation rather providence is God s sovereign mediation of the divine presence across the whole world achieved through creaturely faithfulness made possible and guaranteed by his own faithful action in Jesus Christ **James Baldwin and the Heavenly City** Christopher Z.

Hobson,2018-08-01 Behind James Baldwin s uncanny ability to evoke a nation s crisis and potential hope lies his use of religious language to describe social and sexual transformation The first study of its kind James Baldwin and the Heavenly City shows that Baldwin s novels use biblical ideas in partly but not fully secularized ways to express the possible human attainment of a new life embodying a real but undefinable holiness Focusing on Baldwin s six novels along with essays stories and drama the book first shows Baldwin s method of recasting biblical and African American prophetic traditions to reveal their liberating core It then examines several key themes the prophet s selection seen in Baldwin s debut novel Go Tell It on the Mountain the three linked ideas of prophetic art the apocalyptic body and the apocalyptic city as presented in all his novels and the polarity between prophecy and doubt the subject of his last novel Just Above My Head This important work provides new readings of Baldwin s novels reassesses his once neglected later fiction and shows Gospel music s centrality with blues in his fictional imagination **The Divinity School** University of Chicago.
