Front cover photo by Jeanette Bishop, Isle of Skye, Scotland; Back cover photo by Helen Varga, Cranberry Creek Gardens, Lynedoch, Ontario, Canada. **BlueInk Review**: While the authors' basic premise, direct communication with a supreme being, may not be palatable to everyone, their suggestions could offer a way back into spirituality for sincere seekers. **ForeWord Clarion Reviews**: Bishop and Varga have created a jovial and generous guidebook for self-care. The book's largest sections, which focus on loving oneself and healing via that love, offer a blueprint for this reorientation. Trading between practical advice and recalled meditative conversations with the Spirit, the authors act as creative spiritual gurus. **Kirkus Indie Review**: There are sound pieces of advice to be gleaned from these pages, even by readers with different beliefs.

A.I.M. Jim Carlisle,Alex Gill,2010-07-09 From the Introduction by Alex Gill Before embarking on the A I M program I was just an ordinary guy with a problem that many many others have had at some point in their careers I was unhappy I was becoming bitter I complained about my job a lot I knew I was in a rut and couldn t figure out what to do about it I felt powerless unfocused and alone And I didn t see a way I could make things improve That was my starting point before I began the A I M process Today I run my own firm that helps dozens of nonprofits improve their community impact each year I work on very interesting and socially relevant projects for an ever growing roster of clients I have flown around the world to talk about community building environmentalism and social marketing I also teach at an innovative downtown university where the students are a joy to teach and my fellow professors often remark on my enthusiasm for my work and life in general My friends and family constantly note that I seem happier and more motivated as the years go by This did not happen because of some exceptional piece of luck nor because of some superhuman ability or

intelligence on my part I was someone who happened upon a method the A I M method that helped me determine who I was and what inspired me and then put me on the path to achieving it It happened because I put those principles into action with the help and guidance of a coach like Jim Carlisle I hope as you read this book that you will appreciate how A I M changed my life and how it could help you change yours Jim and I have taken the better part of a year to write this book because we believe in strongly in helping those who need a way out Every day we see people who would benefit from taking charge of their lives and moving forward to achieve inspire and make a difference If you see a bit of yourself in my story or in the dozens of stories we will share in this book read on I hope your journey is even more productive and rewarding than my own
