No More Excuses Sam Silverstein,2015-01-20 Accountability is not a way of doing Accountability is a way of thinking Those who achieve greatness know true accountability makes all the difference between success and failure Based on extensive interviews with accountable leaders from Fortune 500 CEOs to Hall of Fame athletes No More Excuses identifies the five accountabilities of successful people and organizations These tenets encourage accountability in others and performance at the highest level When you willingly accept and embrace the five accountabilities you encourage accountability in others and empower your teams to achieve at the highest level The result is an organization focused on its fundamental values and committed at the individual level to achieving critical strategic goals Whether you are a business owner a top executive or a team leader accountability starts with you and trickles down to everyone else If you want to build an organization that achieves its goals and beats the competition it is time for No More Excuses

What Makes a Hero? Elizabeth Svoboda,2013-08-29 An entertaining investigation into the biology and psychology of why we sacrifice for other people Researchers are now applying the lens of science to study heroism for the first time How do biology upbringing and outside influences intersect to produce altruistic and heroic behavior And how can we encourage this behavior in corporations classrooms and individuals Using dozens of fascinating real life examples Elizabeth Svoboda explains how our genes compel us to do good for others how going through suffering is linked to altruism and how acting heroic can greatly improve your mental health She also reveals the concrete things we can do to encourage our most heroic selves to step forward It s a common misconception that heroes are heroic just because they re innately predisposed to be

that way Svoboda shows why it's not simply a matter of biological hardwiring and how anyone can be a hero if they're committed to developing their heroic potential Get Out of Your Own Way at Work--and Help Others Do the Same Mark Goulston, 2006 Shares practical recommendations for employees and managers on how to overcome self-sabotaging behaviors that can compromise career advancement and satisfaction in a guide that addresses forty self-defeating actions including fear of change failure to delegate and expecting too much Reprint 25 000 first printing How to Pad Your Expense Report... and Get Away With It Employee X., 1996-10-01 **Controller and CFO's Guide to Accounts Payable** Mary S.
