One of the best ways to ensure you get to class is to be prepared. So prepare by taking simple steps to attend class, study efficiently and manage your time.

- 1 START THE DAY THE NIGHT BEFORE.** Pack a lunch or a snack, plan your outfit, and pack your bag with your school paperwork and any other materials you will need for class or the library.

- 2 TIMING IS IMPORTANT.** Knowing how long it really takes to get to class in advance is important so you have a better chance of getting there on time. If you plan to stop and get a snack on the way, make sure you leave enough time.

- 3 STAY ON CAMPUS IN BETWEEN CLASSES AND STUDY.** Staying on campus may help you limit the risk of missing your next class and you'll have more time to be social later if you utilize this time for study.

- 4 PRIORITIZE.** Determine which assignments are due the next day, and work on those projects first.

- 5 GET A DAY PLANNER AND USE IT!** Your smartphone may be perfect for day-to-day reminders such as attending a study group. A weekly calendar may help you see the big picture of your workload.

- 6 PREPARATION SEEMS TO HELP!** These five actions may help you work toward the goals you set for yourself this school year and help you get more out of going to class.
