

Do not believe every spirit, but test the spirits to see whether they are from God, for many false prophets have gone out into the world.

FALSE PROPHETS

Beware of false prophets. They come to you in sheep's clothing, but they are ferocious wolves. Many false prophets will appear and deceive many people. The Lord says, these prophets are prophesying in my name. I have not sent them, I have not appointed them, nor spoken to them. They are prophesying to you false visions, divinations, idolatries and the delusions of their own minds. False Christs and false prophets will appear and perform great signs and miracles to deceive even the elect.

Discerning Spirits Nancy Mandeville Caciola,2015-09-25 Trance states prophesying convulsions fasting and other physical manifestations were often regarded as signs that a person was seized by spirits In a book that sets out the prehistory of the early modern European witch craze Nancy Caciola shows how medieval people decided whom to venerate as a saint infused with the spirit of God and whom to avoid as a demoniac possessed of an unclean spirit This process of discrimination known as the discernment of spirits was central to the religious culture of Western Europe between 1200 and 1500 Since the outward manifestations of benign and malign possession were indistinguishable a highly ambiguous set of bodily features and behaviors were carefully scrutinized by observers Attempts to make decisions about individuals who exhibited supernatural powers were complicated by the fact that the most intense exemplars of lay spirituality were women and the fragile sex was deemed especially vulnerable to the snares of the devil Assessments of women s spirit possessions often oscillated between divine and demonic interpretations Ultimately although a few late medieval women visionaries achieved the prestige of canonization many more were accused of possession by demons Caciola analyzes a broad array of sources from saints lives to medical treatises exorcists manuals to miracle accounts to find that observers came to rely on the discernment of bodies rather than seeking to distinguish between divine and demonic possession in purely spiritual terms **A Prophetic Vision for the 21st Century** Rick Joyner,1999-08-23 Rick Joyner says We have tended to over focus on the end of the age the end times But this is not just the end it s the beginning of a new age when Christ will rule over the earth For the church to

reclaim the high ground of hope for the future we must begin to proclaim the beginning the coming of the kingdom In A Prophetic Vision for the 21st Century Joyner discusses why revival tarries for America what it means to be delivered from the Mark of the Beast the rise and fall of America the greatest awakening a famine in the land and practical ways to serve in the latter days It includes encouragement for weary church leaders as well as the second part of The Hordes of Hell are Marching illustrating the unified church rising as an army in the most pivotal battle of all time between the light and darkness **FALSE PROPHETS, TEACHERS, AND MINISTERS** GODSWORD GODSWILL ONU, **The Lost World of the Prophets** John H. Walton,2024-02-27 Are the prophets speaking about their own times about our present or about some still unrealized future Applying his signature method John Walton provides a clear helpful guide to the nature of biblical prophecy and apocalyptic literature that will help us avoid potential misuse and reclaim the message of the prophets for our lives

PROPHETIC MINISTRY GODSWORD GODSWILL ONU, Prophecy and the Battle for Spiritual Authority, 1360-1400
Frances Courtney Kneupper, 2025-07-02 The end of the fourteenth century was a time of upheaval and contested authority among the traditional institutions of medieval Europe In response to these conditions a number of people began to claim their own authority as prophets speaking the word of God They came from outside of the clerical elite and were mostly women and reformers This book examines the battle over authority which ensued Prophetic women and other non elites successfully used prophecy to exert influence and to enter the corridors of power while educated male clerics insinuated that prophecy was the product of demonic influence and therefore a hazard to the public Surprisingly a third faction also emerged an international network of clerical men who wrote in support of female prophecy This volume traces the arguments made by these three groups the clashes that erupted and the long term impacts of this battle on ideas of spiritual authority
