**Book So Amazon Promotes and Recommends it To Everyone** Dr. Robert C. Worstell, 2016-11-07 Do you know your book will sell or are you only hoping it does Successful authors know what most other authors don't They know that selling books on Amazon is a game and it runs on code Successful authors have worked out how to crack that code and write books which are consistent bestsellers Those books make them an annual 6 figure income in many cases Most of the rest of Amazon authors run only on hope marketing They publish a single book and only hope it sells They never get anywhere near a living income and keep their day job and minimal retirement pensions They could have real financial freedom from their book royalties But unsuccessful authors don't know the rules to win the game of publishing They don't even know most of them They don't know how to crack the Sales Code that Amazon runs on The hard work has already been done Just read it and apply it All you have to do is to get your copy now      [The Essential Guide to Getting Your Book Published](#) Arielle
