How To Start A Home Based Event Planning Business:

How to Start a Home-Based Event Planning Business Jill S. Moran, 2015-07-02 Event planning continues to be a thriving business area for the motivated entrepreneur Jill S Moran is a certified special events professional with twenty five years of experience in the field and the owner of an award winning event planning company This fourth edition of her popular book includes updated ideas about creating business plans balancing home and work building a client base and a more in depth discussion on the role of social media in your event planning business [You Should Become an EVENT PLANNER](#) Rebecca Nowak, 2020-02-21 Event Planning Business Startup Are your friends and family always looking for you to plan the perfect party Are you detail oriented Do you thrive on knowing what s going on and making it happen Do you take pride in providing the best experience for your guests You should become an EVENT PLANNER You can start an event planning business from home with little startup funds Yes you really can This book shows you exactly how to do just that step by step even if you have little to no business experience People observe special events all the time weddings graduations birthdays bachelorette parties baby showers there s always something to celebrate Each of these events requires someone to plan them If you have what it takes maybe they should be paying you to plan them The event planning industry is on the rise with the average salary of an event planner in the United States topping over 50K a year If you have a laptop cell phone and have access to the internet you can start this lucrative career from the comfort of your home This book is meant to serve as a step by step guide and navigation tool for opening an event planning business We will cover everything from the paperwork involved in establishing a business to startup costs management and much much more In this book I will show you exactly how to go about starting running and growing your new event planning company We ll discuss topics such as What this business really is like Examine the pros and cons of starting an event planning business How much event planners can actually make What certifications and education would be helpful to you How to find a niche in the industry Defining your ideal client How to determine your market How to compete well in that market Tips for how to conduct sound market research Advice for naming your business How to create your business entity What your startup costs look like Conditions to consider when starting your business Extensive advice about crafting a cunning business plan How to keep your finances in order How to set your pricing How to be a keen negotiator PLUS an extensive appendix of resources for you to use The research is already done for you in this book **How to Start a Home-based Event Planning Business** Jill S. Moran, 2004 Are you the person who always organizes the family reunions the friends birthday parties and the school fund raisers Have you thought about becoming an event planner but hesitated about putting your plans into action This comprehensive guide contains all the necessary tools and strategies you will need to launch and grow a successful business Author Jill S Moran a Certified Special Events Professional shares her experiences and advice on every aspect of setting up and running a thriving home based event planning business From finding customers to staying in touch with the latest trends

and techniques her step by step methods are practical and easy to understand She even includes war stories from other event planners so that you can avoid their mistakes Make a career out of planning Weddings Birthday parties Trade show events Corporate outings Award dinners Fairs and festivals Fund raising events and more Learn all about Getting Clients and Referrals Organizing Your Business Marketing Your Talents Setting Your Rates and Services Hiring Help and Getting Paid Maintaining a Steady Stream of Work Education and Training Use these special features and workbook pages Ten Suggestions for Success Sample Cash Flow Projections Sample Business Plan Sample Event Budgets Sample Event Production Schedules Contract Essentials and Event Ethics dn0The Event Tool Kit **How to Start a Home-Based Event**

Planning Business Jill S. Moran,2010-07-13 Are you passionate about planning events Have you ever wanted to be your own boss and set your own schedule while pursuing something you enjoy Now you can make your dreams a reality This comprehensive guide now updated in its third edition contains all the necessary tools and strategies you need to successfully launch and grow an event planning business Using plain language and easy to follow worksheets Jill Moran takes you through every aspect of setting up and running a thriving home based event planning business She shares her professional experience and expert advice on everything from estimating start up costs and finding clients to planning and executing weddings parties corporate events fund raisers and more Whether you re just starting to explore your options or are an event planning wizard looking to be your own boss this guide can help you establish and build your own successful home based business How to Start a Home-Based Children's Birthday Party Business Amy Jean Peters,2008-12-30 From first

birthdays to sweet sixteens the children s birthday party business is booming and offers an ideal entr e for those hoping to start a home based business with low financial risk Home-Based Businesses That You Can Start Today Robert Witham,2011-02-11 More people than ever are considering starting a home based business Part of this interest in home based businesses is driven by an economic recession but part of it is also driven by the dream of independence For many people being self employed or operating their own home based business has always been a dream Leaving the corporate world behind eliminating long commutes to work spending more time at home with family and a desire for a simpler lifestyle have all been listed as reasons why people decide to trade the supposed security of a corporate job for a home based business There are many reasons to start a home based business In fact there are probably about as many reasons as there are small business owners Starting a small business is hard work but it is also rewarding work Working for yourself also provides a measure of security and flexibility not available in any job How much security and how much flexibility depends on the type of business you operate as well as your motivation and determination to succeed Home Based Businesses That You Can Start Today will help you get started on the exciting journey toward being a small business owner This book is filled with small business ideas that can be started right from your own home with minimal expense or hassle Each business idea is neatly organized into its own section so you can skip over any business ideas that do not sound appealing and focus on those

that you do find interesting Home Based Businesses That You Can Start Today focuses on providing ideas to get you started This book profiles 65 different business ideas that you can start at home I trust you will find Home Based Businesses That You Can Start Today to be a valuable resource as you consider starting your own small business The list of business ideas that is included in this book is by no means exhaustive or comprehensive but it does provide a good overview of the many types of home based businesses that can be operated today **How to Start a Home-based Wedding Planning Business**
