**How to Receive Discernable Answers to You Prayers** Jeffrey R. Young, 2003-08-01      How to Receive Discernible Answers to Your Prayers Jeffrey R. Young, 2003      *How God Answers Prayer (How to Pray)* Elmer Towns, 2011-07-28 What happens when you pray This book does not tell you how to get answers to your prayers there are thousands of books like that This a radically different book because it approaches prayer from God s perspective Prayer is relationship with God When you understand How God Answers Prayer then you realize prayer is all about trusting your heavenly Father trusting Him to answer what is best for you how it s best for you and when it s best for you Divided into three inspiring sections and bite size chapters filled with full servings of biblical goodness you will learn about the following and much more God answers when you wait in His presence for the answer God can give you a vision of how the answer can come God answers when you yield to His will Use your faith supernaturally to move God s work forward God may allow an obstacle to tell you No it will not happen When God answers your prayer differently from what you expected God may say No I have a better plan for your life Well known author and respected Liberty University dean and professor Dr Elmer Towns sheds light on your innermost desire to communicate with your heavenly Father and brings your relationship with Him to an even more intimate level of love

**Answer Day** James K. Denham, 2017-10-24 Have you ever earnestly prayed for Gods guidance yet heard nothing but silence Have you fervently prayed for God to help you with a major issue in your life and yet no answer came for you Have you ever been filled with worry about a problem and it seems that God just stays far away Yet with no guidance to go on you and many other people still must make serious life decisions But they are made with great uncertainty because you dont know if God is with you or will support you in the decision you made With this new way to pray any sincere soul will find a way to open up that communication from God so a clear and loud response to your prayer can be heard If you are honest about wanting an answer to your prayer and if you are a person who is truly seeking Gods will with real integrity and you are willing to be patient and wait for the Lords reply here is a way to get your response Six simple steps are given here to help you state your clear question to God what to do while you wait for Gods answer and to know the exact day you will receive Gods reply This book will tell you precisely what you can do to obtain Gods clear direction with the specific prayer request you lift up This may seem unbelievable but the proven results of following these six steps exactly as presented in this volume are consistent and reliable in giving you a godly response And this answer you receive can even be double checked if you doubt it The author of this volume has been very slow to publish his findings He has spent over forty years in researching refining testing and retesting this method so that an answer can come for any sincere soul who is an honest seeker in wanting to make an all important connection with God Try it once and discover for yourself exactly what Gods response will be to your sincere prayer request

Life Goes On (and on and on) Reverend Bob, 2018-06-15 In the tradition of C S Lewis Reverend Bob s new book is a collection of essays on how to live an honorable life and find permanent satisfaction Some

writers speak from the heart and some don't. The ones that do speak from the heart usually get read and the ones that don't do that don't get read. I guess that's the way it should be. I do believe that Reverend Bob speaks from the heart. Truman H Stone *Beloved's Gift* Isaura Barrera, 2016-01-18 Yet one day unexpected and unhoped for the world we had thought irretrievably lost may be returned to us. In a moment of insight a sudden opening of the heart we may glimpse again the mysterious reality we took for granted as children. We may once again experience its wonder and delight. I Zalewski Who Is God This book tells of the author's unexpected return into that reality believed to be irretrievably lost as childhood was left behind. It was written in real time as each step of that return unfolded its challenges and gifts. Its message of making believing more than making believe is shared for all who remember or hunger to remember and relive that same reality in their own lives that it might inspire them to listen for and live into the love, hope and faith at its core. *Equipped to Tell the Next Generation* Donna R. Ryan, 2020-04-15 *Equipped to Tell the Next Generation* bridges the gap between knowing and sharing our faith in Jesus by revealing areas of our beliefs and practices which have been syncretized with twenty first century American culture: relative truth, consumerism, pleasure, an independent spirit, the victim mentality and the culture of doubt. These go to the heart of who we are and keep Christians from telling people about Jesus in winsome ways. This book provides the solution: recover the holiness of God, his ultimate characteristic which holds all his characteristics in perfect unity. Rather than legalism, genuine holiness is the highest beauty which produces wholeness because it balances holy love, holy righteousness, repentance of sin, peace and respect for all people and all of God's creation. When we meet a holy God we want to worship and to serve him because the beauty of holiness touches the very essence of our being. It becomes our greatest desire to please him because of the deep love we find there: a holy love unlike what the world offers. This book will take you on a journey to recover the things compromised to culture and will equip you to tell the next generation about Jesus.
