*Blood on the Altar* David A. Reed, 2011-01-27 More kids are dying right now in obedience to the Jehovah's Witness ban on blood transfusions than perished in the fire at Waco, Texas, says former Witness elder David A. Reed. How can a major sect with headquarters in New York City and twelve million attending its religious services worldwide quietly lead victims to early deaths without public outcry? Reed cites dozens of well-documented cases, media reports naming victims, doctors, and hospitals issuing their death certificates as he blows the whistle on a deadly cult that secretly instructs members to kidnap children from hospital beds and teaches children to resist doctors violently and give false testimony in court. This former minister, now widely recognized as an authority on the sect, explains his own role in bringing new members under mind control. With captivating anecdotes, he details an enforcement apparatus that reaches even into clinics and hospitals. He brings to light secret instructions for hospital employees to turn over confidential patient records to the church and tells how the hierarchy conducts bedside trials of members who accept forbidden medical treatment. Reed joined the sect as a naive young adult and rose through the ranks until he learned how the secretive leadership operated. Realizing that his friends were dying for beliefs supposedly channeled from God but actually fabricated by the church hierarchy, after leaving the sect he spent years researching its history and activities. Evidence revealed here for the first time. Reed's warning cannot be ignored.

**Another Jesus, a Different Spirit, a Different Gospel** Steven H. Propp, 2011-12-13 It's the Christmas season the most wonderful time of the year for most people in River City California But for Jehovah's Witnesses Lawrence and Brad it's a time for them to try to explain the truth about this holiday season to the people of the community Their earnest efforts may earn them ridicule disagreement or a door slammed rudely in their faces but they persist and are sometimes able to find a mind and heart receptive to their urgent message about Jehovah's coming Kingdom Whereas for Elders Skousen and Marshall two Latter day Saint Mormon missionaries the season is another opportunity to share their Church's distinctive interpretation of the Christian gospel but their efforts are often rebuffed as well In the course of their work these two pairs of men engage in dialogue with traditional Christians as well as members of the Church of Christ the Community of Christ RLDS Seventh day Adventists and Oneness Pentecostals not to mention skeptics atheists and the increasing numbers of people who lack any particular religious beliefs But when a local church brings in a researcher to give a series of lectures on Cults and specifically targeting the Jehovah's Witnesses and Mormons a confrontation is ensured where theological and biblical concepts collide in a public forum Who if anyone really has the Truth Can one still discover the true meaning of Christmas in the midst of passionate disagreements over the validity of the holiday season Are objections raised about the secularization and rampant commercialism of the modern celebration valid Spend a holiday season or any other season with some interesting and
