How To Roar Pet Loss Grief Recovery:

How to Roar Robin Jean Brown, 2005-10-28 Robin Jean Brown understands firsthand the deep bond that can develop between person and animal. She is not some cold psychologist but rather a pet owner herself who dealt with her own painful journey through the grieving process. She found that there wasn't a lot of help for her. Other books are either too cold and clinical or they're too sad and just make you cry harder. And none of them had workbook style questions to guide her through her journey. So Robin wrote the guide herself to deal with your grief effectively and step by step. She is personal, empathetic, and comforting yet at the same time she'll help you move through your grief. **Samson's Story** Gale Wilkinson, 2025-05-18 All proceeds from sales of this book go to animal rescue. Samson's Story offers an intimate look at the life of one dog and his journey as he neared death. The author shares a detailed account of Samson's sunset season to give pet parents an insightful glimpse into the last few weeks of his life, highlighting both the good and the bad. The book includes helpful tips on what to do when the end is near, how to say goodbye to your beloved pet, and numerous ways to promote processing and healing after your loss. The author sprinkles data and quotes from a 121 person survey she conducted on pet loss grief throughout, adding richness and depth to Samson's Story. The topics of grief and guilt are examined through the lens of the special animal-human bond that makes pet loss so painful. Moments of magic, synchronicity, and hope weave throughout Samson's Story, accompanied by accounts of animal communication, reincarnation, and recognizing signs sent from pets after they're gone. The book concludes with a series of letters the author wrote to Samson during the three months after he passed away, allowing readers to go through the grieving and healing process with her. Losing a cherished pet is terribly difficult, and the grief is real. Samson's Story is a heartfelt tale of pet loss, grief, love, hope, and even a bit of magic that may help you in your own healing journey. To honor Samson's memory, one hundred percent of proceeds from sales of this book will be donated to animal welfare and rescue organizations. *Grieving For Dummies* Greg Harvey, 2011-04-18 Coping and recovery strategies for dealing with the loss of a loved one.
