DJUN KIL KIM

Korea 2nd Edition

Wada Haruki

Korea 2nd Edition:

Kim Jong Il's North Korea, 2nd Edition Alison Behnke, 2012-08-01 Kim Jong Il one of the world's most infamous dictators rose to power in the mid 1990s in the small East Asian country of North Korea. He succeeded his father Kim Il Sung as that nation's leader. Kim Il Sung took power in North Korea, also known as the Democratic People's Republic of Korea or DPRK, in 1948 and eventually established a state governed by his own version of Communism. Today Kim Jong Il continues his father's tactics of building a powerful cult of personality around himself while crushing criticism and opposition to his rule. These practices by both Kim Il Sung and Kim Jong Il have largely cut off the DPRK from the outside world. The Kim leaders' harsh policies have led to tragedy within the nation, contributing to devastating famine and creating a network of labor camps in which many North Koreans are tortured and killed annually. Kim's secrecy and his strict control of information entering or leaving North Korea have also made the nation a largely mysterious place. In Kim Jong Il's North Korea, learn more about this inscrutable nation and its dictator.

Korean Made Easy - Starter (2nd Edition) Seung-eun Oh (오승은), 2022-05-27 The MP3 CD sound source included in the book can be downloaded free of charge from the author's website www.darakwon.co.kr. Korean Made Easy Intermediate 2nd Edition is the sequel to the best-selling Korean textbook for self-study, Korean Made Easy for Beginners 2nd Edition. This book is carefully designed and structured for intermediate Korean learners to easily and enjoyably learn vocabulary, expressions, and grammar. The textbook is divided into 15 topics, and each respective topic is presented in 3 situations based on practical grammar and vocabulary. These vocabulary and expressions are also covered in the additional vocabulary corner and the Sino-Korean character learning corner. In addition, grammar explanations and grammar usage tables necessary for intermediate learners are included in detail in the appendix, and translations of new vocabulary and expressions from the conversations are provided. This book is an ideal comprehensive intermediate Korean self-study textbook. A customized Korean textbook for learners wanting to self-learn basic Korean. This is a revised version of the self-study Korean bestseller Korean Made Easy Starter, providing customized explanations for basic Korean learners. Detailed explanations of Korean characters and pronunciation are included. The basics of the Hangeul characters are explained, and similar pronunciations are presented to help beginners learn Hangeul and familiarize themselves with new characters. In addition, QR code MP3 files containing the speech of native Korean speakers enable ease of pronunciation practice. Master the letter and pronunciation of Hangeul through various activities and fun exercises. Learners who are new to Hangeul and Korean can learn the pronunciation and letter system through diverse activities in a fun way by solving various game-based practice exercises. Expression cards and visual learning aids enable easy learning and can be used immediately. 24 essential useful expressions are provided in cards for beginners. Basic Korean expressions can be learned anytime, anywhere through these useful expression cards. In addition, consonants, vowels, consonant-vowel combinations, and numbers visual learning aids help learners who are new to Korean become more familiar with Hangeul. MP3 CD www.darakwon.co.kr
